ACADEMIC INFORMATION

GRADING SYSTEM & REPORTING

The GREEN Governing Board, in compliance with State Standards, approves the grading scale. Grades may be reported numerically or alphabetically on all report cards. Grades 2 and above: any grade below 60 is considered failing.

We strongly encourage parents to check their student's current progress for each course. Kindergarten and first grade will receive hard copy report cards at the end of each quarter. Grades 2 and above, parents and students will be able to view grades on Powerschool throughout the school year and at the end of each reporting period.

A teacher will send an email that serves as a written notification at any time during a grading period when it is apparent that a student may fail or is doing unsatisfactory work that may lead to failure in any course/subject. The parents will be offered an opportunity for a conference with the teacher and/or an admin.

Minor Grades - The average of the assignments in this category will count as 40% of the quarterly grade.

GPA CONVERSION

The State Board of Education approved both the new 10 point grading scale for South Carolina students and the corresponding GPA conversion chart for quality points. The correlation between grade point average, the course selection, and weighting can be found at <http://ed.sc.gov/newsroom/news-releases/10-point-uniform-grading-scale-approved-by-state-board-of-education/10-point-grading-scale-conversion-chart/>

HOMEWORK POLICY

Homework is an essential part of your success at GREEN. Doing homework helps students develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers give homework assignments that will foster individual learning and growth that is appropriate for the subject area. Homework is part of all students' regular evaluations.

It is each student's responsibility to complete and turn in homework on time – if it is not, a grade of zero (0) may be given. The student may also be asked to complete the assignment after school or during the school day. In case of conflict regarding homework assignments, the teacher's record is final. If students or parents have questions, immediately contact the teacher who assigned it.

HIGH SCHOOL GRADUATION POLICY

Beginning with the 19-20 school year, all Seniors must complete the Senior Seminar class to qualify for graduation from GREEN Charter. This rule will apply to the graduating class of 2020 and all graduating classes that come after.

HIGH SCHOOL COURSE LOAD MINIMUMS

- Rising freshmen, sophomores and juniors must register for six courses at GREEN, Fine Arts Center or Dual Enrollment.
- Rising seniors must register for a minimum of four courses at GREEN, Fine Arts Center or Dual Enrollment. Senior Seminar is a mandatory elective course (.5 credit) and must be taken during the first semester.
- NO EARLY GRADUATION is allowed even if a student has met the minimum requirements for graduation.

HIGH SCHOOL CREDIT EARNING REQUIREMENTS

In order to receive one Carnegie unit of credit, a student must be in attendance at least 120 hours per unit, regardless of the number of days missed, or must demonstrate proficiency as determined by GREEN Charter School. Any exception to the 120-hour requirement will be reviewed by the administration on a case-by-case basis.

HIGH SCHOOL COURSES TAKEN IN MIDDLE SCHOOL

Students approved by the administrative team at GREEN Charter to do so may begin taking high school level courses in middle school. These courses will earn the student credits toward high school graduation. A student may retake the same level course (Honors, etc.) the next year to improve their grade. However, per state rules, all course attempts will show on the transcript, with only the course with the highest grade calculated into the student's GPA.

RECOGNITION (LOWER SCHOOL ONLY)

Students are recognized on a regular basis and rewarded for accomplishments via the following and other methods.

A/B Honor Roll: Students achieving an academic average of 80 or above in all subjects. Calculations are carried out up to one decimal point, and standard rounding rules are applied. Certificates will be given to A/B honor roll students. E or S on letter grade scales.

PBIS Positive Behavior Interventions and Supports Students school-wide will be rewarded with owl bucks for good behavior. They may use these owl bucks to purchase items from the owl cart.

Owl of the Month: Students school-wide will be selected based on their academics or behavior.

RETENTION POLICIES

Each grade level has a set of standards set by the state and/or school that students must meet. If the end of year performance of a student does not meet the expectations for their grade level, that student's academic record will be reviewed by our Retention Team to determine whether to promote or retain for the next school year.

Third Grade Retention Policy

S.C. Code Ann. §59-155-160 (2014) of Act 284 states:

Beginning with the 2017- 2018 school year, a student must be retained in the third grade if the student fails to demonstrate reading proficiency at the end of the third grade as indicated by scoring at the lowest achievement level on the state summative reading assessment that equates to Not Met 1 on the Palmetto Assessment of State Standards (PASS).

The law provides seven good cause exemptions to retention; however, "students exempt for good cause from the mandatory retention requirements shall continue to receive instructional support and services and reading intervention appropriate for their age and reading level." Section 59-155-160 (A).

Good cause exemptions from mandatory retention include students:

- with limited English proficiency and less than two years of instruction in English as a Second Language program;

- with disabilities whose Individual Education Plan (IEP) indicates the use of alternative assessments or alternative reading interventions;
- with disabilities whose IEP or Section 504 Plan reflects that the student has received intensive remediation in reading for more than two years but still does not substantially demonstrate reading proficiency;
- who demonstrate third grade reading proficiency on an alternative assessment approved by the board and which teachers may administer following the administration of the state assessment of reading;
- who have received two years of reading intervention and were previously retained;
- who through reading portfolio documentation demonstrates the mastery of the state standards in reading that is equal to at least one level above the lowest achievement level on the state reading assessment; and
- who successfully participate in a Read to Succeed Summer Reading Camp (SRC) at the conclusion of the third grade year and demonstrate through either a reading portfolio or through a norm-referenced, alternative assessment approved by the SCDE, that their mastery of the state standards in reading is equal to at least a level above the lowest level on the state reading assessment.

If a student meets one of the exemptions mentioned above, the student may be considered for promotion to fourth grade. The explanations and resources included in this document are intended to provide guidance, support, and examples to support districts and schools as they fully implement this section of Act 284.

Middle School Promotion and Retention Policy

Promotion - A student must complete 6 core courses successfully (ELA, Math, Science, and Social Studies in 6th, 7th and 8th grades) in order to get promoted to High School at **GREEN Charter School**.

Retention - Students who fail Math and/or English for the current grade will be retained at the end of the current grade UNLESS they successfully complete the required recovery program via either (1) Summer School - if offered, or 2) the Recovery Package provided by the teacher/school. GREEN Charter has the right to decide the best option for your student to make up the failed course.

Remediation - If we feel remediation is necessary for rising 7th graders or if the student does not have a proficient score on SC READY, they will be assigned to Remedial Math or Reading. Students placed in remedial classes will not be offered foreign language courses. They must successfully complete remediation before they are able to move into foreign language study.

Notes - All the above promotion/retention information is subject to change based on new state laws and administrative revision during the year. If there is any modification, parents will be notified via email and/or letter. A student's score on an end-of-the-year assessment may not be the sole criterion for placing the student on academic probation, retaining the student in his/her current grade, or requiring the student to attend summer school.

SCHEDULE CHANGES

Each student's schedule is carefully planned and developed based on the student's academic history and demonstrated abilities. Modifications to the student's schedule MAY be made if requested within the first two weeks of school. The final decision will be made by the administration. Requested movement into a more advanced class must be backed by test scores and teacher recommendations.

STUDENT RECORDS

A student's school records are private and confidential. Student's parents or guardians and certain school officials and workers are the only ones who may see school records without the parent's or guardian's written consent. In the event of a non-custodial parent, the school may issue to you a copy of the academic portion of your student's file within a reasonable amount of time after a written request is made.

VALEDICTORIAN/SALUTATORIAN/HONOR GRADUATES (UPPER SCHOOL ONLY)

1. The valedictorian will be recognized based on having the highest cumulative GPA as it appears on the official high school transcript, calculated using the state uniform grading policy prescribed by state law.
2. The salutatorian will be recognized based on having the second highest cumulative GPA as it appears on the high school transcript, calculated using the state uniform grading policy prescribed by state law. See Appendix for SC Uniform Grading Policy Conversion Chart.
3. Valedictorians and salutatorians must attend GREEN Charter the two semesters immediately prior to graduation their senior year.
4. In the event of a tie, where more than one student has the same GPA, co-valedictorians and/or co-salutatorians will be named.
5. Only valedictorians and salutatorians will make graduation speeches. Other parts of the ceremony will be determined by the senior class.
6. All honor graduates will be determined during the spring semester of the senior year.
7. All honor graduates must attend four calendar years of high school.
8. In addition to the valedictorian and salutatorian, honor graduates will be recognized at graduation. Honor graduates must have a 4.5 or higher cumulative GPA as it appears on the high school transcript as calculated using the state uniform grading policy prescribed by state law.
9. For honor graduate determination, grades of transfer students will be accepted if credits are awarded from an accredited school.

ATTENDANCE

The school year in South Carolina is 180 days long. Attendance Law says a student must be present for a minimum of 170 days (along with other criteria) to be considered for advancement to the next grade level. This means the state only allows a student 10 absences for the entire 180-day school year (or 5 absences for a 90-day semester class or 3 absences for a 45-day quarter class). The allowable days INCLUDES medical absences but makes no allowance for vacation times as those should be scheduled when school is not in session.

We strongly suggest that you NOT use any of these 10 days for vacations, as they are your safety net for when your student truly needs them due to illness or injury. Again, medically necessary absences STILL COUNT toward your allowable days. A student must be physically present in class to get credit for that time.

If a student misses more than the 10 days (or other number in parentheses above) allowed by the state, they are at risk of NOT advancing to the next grade level. Schools must approve or disapprove absences whether lawful, unlawful, or a combination of the two (as described below), for purposes of awarding credit for the year.

Parent Notes will excuse a student's absence until they hit the maximum allowable absences. After the maximum, their absence will be excused ONLY with a Medical Note that says the student had to be out the ENTIRE DAY for each day they miss. Please note that teachers are only required to give make-up work and/or tests if the absence is excused. If you have a medical note, please bring it in!

South Carolina law requires school attendance for every child 5 years or older on or before the first day of September until the child attains the age of 17 with limited exceptions. For exceptions, see S.C. Code Ann. §59-65-30. **Parents/legal guardians are primarily responsible for ensuring that their children attend school regularly, and the law provides statutory penalties for those who neglect this responsibility (see section on Truancy).**

GREEN recognizes two kinds of absences and tardiness: excused (lawful) and unexcused (unlawful). Please read the definitions of each carefully so you understand what you and your parents'/guardians' responsibilities are. Also, be very aware of the consequences and responsibilities regarding all types of absences, including but not limited to make-up work, catching up on course material, and possible disciplinary action. **All notes for absences should be turned in to the Main Office upon the student's return to school.**

TRUANCY

It is the intention of GREEN Charter to make sure your children succeed academically. However, a student who is not here cannot be successful. As such, the following is a description of the process we must follow when students are absent from school without valid excuse or documentation:

1. **After 3 consecutive days of unexcused absences**, the child is considered truant, and the parent/legal guardian will be contacted by the school via phone or email to request a conference with student and parent/guardian to address the absences via the development of a Truancy Intervention Plan.
2. **If there is no response to the above and 2 more days are missed (for a total of 5 consecutive days)**, the child is considered a habitual truant, and the parent/legal guardian will be sent an email to request a conference with both parent/guardian and student to address the absences via the development of a Truancy Intervention Plan. It will be noted in the letter that South Carolina law allows only 10 unexcused absences per academic year before advancement is at risk.
3. **After 10 consecutive days of unexcused absences:**
 - a. GREEN Charter School will drop the student from our enrollment on the 11th day.
 - b. GREEN will contact the student's district of residence to see if the child has been moved back into that school system.
 - c. If the student is not in their district of residence AND we have a Truancy Intervention Plan in place OR we have documentation to show reasonable efforts were made to create a Truancy Intervention Plan, then GREEN Charter will refer the student to the SC Family Court for truancy.

South Carolina Board of Education Regulation (SBE) 43-274 specifies state requirements for school attendance. Truant students are classified as Truant, Habitual Truant, or Chronic Truant.

Truant refers to a child 6 to 17 years old who has accumulated 3 consecutive unexcused absences, or a total of 5 unexcused absences for the academic year.

Habitual Truant is a child 12 to 17 years old who (1) has accumulated 2 or more ADDITIONAL unexcused absences and (2) has failed to comply with the Truancy Intervention Plan.

Chronic Truant is a child 12 to 17 years old who (1) has been through the school intervention process, (2) has reached the level of habitual truant and has been referred to family court and placed under an order to attend school, and (3) continues to accumulate unexcused absences.

Excused Absences (referred to as Lawful Absences under SC Law)

GREEN Charter School accepts only the following as excusable reasons for absence from school:

Personal Illness: If a student will not be attending school due to an illness or the fact that their attendance in school would endanger either their own health or the health of others with whom they may come into contact, **please notify BOTH your child's homeroom teacher AND the Main Office at your campus by email. Please do not contact the office and ask THEM to email your teachers.** The emails for the main offices are mainoffice@scgreencharter.org (K-6) or centuryoffice@scgreencharter.org (7-12).

Serious Illness or Death in the Family: Serious illness or death in student's immediate family necessitating the absence is excused. In the case of serious illness, students are required to present medical documentation to validate the absence(s) as excused absence(s) within three days of the student's return to school. Families should communicate with the student's homeroom teacher and copy the main office at either mainoffice@scgreencharter.org (K-6) or centuryoffice@scgreencharter.org (7-12) to inform them of the situation and provide an estimated date of the student's return to school. Number of absences permitted for bereavement is at the Principal's discretion but shall not exceed three days.

Legal Requirements: Court order by a governmental agency mandating the student's absence from school is excused. A parent or guardian should email the student's homeroom teacher and copy the main office at their campus at mainoffice@scgreencharter.org (K-6) or centuryoffice@scgreencharter.org (7-12) to explain the situation and give an estimated time of absence. Bring a copy of the court order documentation when you return to school.

Special or Recognized Religious Holidays/Instruction/Ritual: Special or recognized religious holidays/instruction/rituals observed by the student's faith are excused, up to three per year. Additional days would require administrative pre-approval. A parent or guardian must email the student's homeroom teacher and the main office at their campus at mainoffice@scgreencharter.org (K-6) or centuryoffice@scgreencharter.org (7-12) to explain the situation and give an estimated time of absence. **You must also provide a notice from your religious institution/congregation upon your return to school.**

Weather or Environmental Conditions: Weather or environmental conditions rendering attendance impossible or hazardous to the student's health or safety may be excused. A parent or guardian must email the student's homeroom teacher and copy the main office at mainoffice@scgreencharter.org (K-6) and centuryoffice@scgreencharter.org (7-12) to explain and give an estimated time of absence.

Financial or Other Conditions: Other absences to be determined by, and at the discretion of the Principal, may be excused.

Administration Approved Absences: Other absences may be considered and **pre-approved** by the administration through a formal request process. Please keep in mind that even if an absence is excused, a student should miss no more than 10 total days for the entire year.

Out of School Suspension (OSS): School days missed as a result of an out of school suspension **shall not be counted as unexcused** for the purpose of determining truancy. GREEN Charter allows students who miss school for an out of school suspension to make up any work missed (refer to the section "Make-up Work for Excused Absences").

Unexcused Absences (referred to as Unlawful Absences under SC Law)

An unexcused absence is a part of a student's school record. Students will be marked unexcused for:

Failure to Attend School: Failure to attend, with or without the knowledge of the parent/guardian, for reasons other than those specifically outlined as excused will be considered unexcused. Suspension doesn't constitute an unlawful absence for truancy purposes.

Make-up Work for Absences (Excused and Unexcused)

Absences from school, whether lawful or unlawful, one day or several, do not release students from their class responsibilities on the day they return. Students need to refer to the course syllabus in each class to be sure they comply with the requirements established by the teacher for missing work.

On their first day back to school, it is the student's responsibility to find out what work needs to be made up and when it is due – failure to do this will result in a zero for each of those assignments.

Make-up tests will be scheduled at a time agreed upon by the teacher. It is the student's responsibility to take the test then. If the student fails to do so, the teacher is not obligated to set another time. If the student fails to make up a test without making other arrangements, the teacher is not required to give the student.

Arriving to School Late (School Tardiness)

Students may not be dropped off earlier than 7:15 AM. GREEN will not take responsibility for drop offs before 7:15 AM.

Start of Day Tardiness

School begins at 8:00 AM (Pelham Rd campus) and 7:50 AM (Century Dr campus). Students who arrive after the doors close (*including carpools*) **must have their driver come into the Main Office to sign each student in as tardy.** Once the student(s) have been properly signed in, they will get a "late slip" for admittance to class (Excused Tardy for medical reasons or Unexcused Tardy for most other reasons). Habitual tardiness may result in disciplinary action based on the "Minor Violation Discipline Cycle" or an appropriate arrangement for making up missed class time.

Upper School

Every five (5) morning arrival tardies will result in an after school detention. Three (3) after school detentions will result in contacting the Department of Social Services (DSS). If the pattern continues the school will keep contacting DSS.

Class Tardiness

Students are given about four minutes to get to each class. They are expected to be sitting in their assigned seats when the class starts; otherwise, they are considered tardy. Repetitive tardiness will result in the student receiving a disciplinary consequence based on the "Minor Violation Discipline Cycle."

Class cuts/Skipping

A class cut occurs when a student is absent from class for more than 5 minutes without permission from the teacher or authorization from the office. Students who become ill or need to see a counselor or administrator during class time should FIRST report to class and obtain permission and a hall pass from the teacher. If a student is too ill to report to the office, he/she should have another person notify the office at once so that the nurse or a member of the administrative team may be called.

Leaving School Early (Early Dismissals)/Drop Offs

Leaving school with a parent/guardian prior to the official end of the school day is considered an early dismissal. Persons picking up a child must be prepared to show a photo ID and have been previously approved by the parent/guardian and officially recorded on the paperwork in the student's file at school. **Students cannot be checked out during the last 30 minutes of the last period.**

Lower School students must be in the classroom receiving instruction for a minimum of 3.5 hours (including lunch) to be counted present for the day. Students leaving before meeting this requirement will be considered absent for the whole school day.

Upper School students must be in each class receiving instruction for a minimum of 25 minutes in order to be counted as present for that class. If a student is in a class for less than one half of the class time, then the attendance will be marked absent in that period. Since these students change classes throughout the day, they will receive credit only for the classes they were present. These absences due to early dismissals WILL affect your ability to receive credit for a high school course. Too many absences/early dismissals could result in your student being forced to repeat a course to receive credit.

If early checkouts become habitual, a parent or legal guardian must be prepared to show appropriate documentation verifying the necessity of an early checkout at the time the student is released from school. You must list the reason for dismissal when signing out a student.

Upper School students with schedules that end before the school day is complete (for Early College or having no assigned classes) must come to the Main Office and sign themselves out so staff is aware they are no longer on campus.

Details Regarding SC Attendance Law

SC Code § 59-65-20 (2013)

Penalty for failure to enroll or cause a child to attend school.

Any parent or guardian who neglects to enroll his child or ward or refuses to make such child or ward attend school shall, upon conviction, be fined not more than fifty dollars or be imprisoned not more than thirty days; each day's absence shall constitute a separate offense; provided, the court may in its discretion suspend the sentence of anyone convicted of the provisions of this article.

HISTORY: 1962 Code Section 21-757.1; 1967 (55) 181.

SC Code § 63-7-20 (2014)

(4) "Child abuse or neglect" or "harm" occurs when the parent, guardian, or another person responsible for the child's welfare:

(c) fails to supply the child with adequate food, clothing, shelter, or education as required under Article 1 of Chapter 65 of Title 59, supervision appropriate to the child's age and development, or health care though financially able to do so or offered financial or other reasonable means to do so and the failure to do so has caused or presents a substantial risk of causing physical or mental injury. However, a child's absences from school may not be considered abuse or neglect unless the school has made efforts to bring about the child's attendance, and those efforts were unsuccessful because of the parents' refusal to cooperate. For the purpose of this chapter "adequate health care" includes any medical or nonmedical remedial health care permitted or authorized under state law;

GENERAL CODE OF APPEARANCE

Administrators and teachers of GREEN shall enforce dress codes that promote the successful operation of the school. The site administration shall be the final judge as to neatness and cleanliness of apparel, and whether or not such apparel is appropriate, disruptive, distracting, or in violation of health and safety rules. **The General Code of Appearance shall not restrict the school administration's authority to implement the School Board's Policy on Student Uniforms.**

Each student is responsible for dressing appropriately for the school environment. Clothing, jewelry, hairstyles, and general appearance should not disrupt the classroom atmosphere. The following guidelines for dress and grooming are provided to assist parents and shall apply to all students at GREEN. Student dress and grooming shall be neat, clean, and as follows:

Note: Should a student's uniform not comply with the uniform dress code, they will be considered in violation. Students who violate the uniform code will be allowed to call home for an appropriate change of clothing after obtaining administrator approval. Otherwise, the student will be held out of class for the remainder of the school day **if necessary by admin discretion.**

All students must adhere to these minimal guidelines for acceptable apparel and appearance. In order to maximize instructional time, students will be given an opportunity to immediately correct dress code violations.

This dress code shall also apply to all school-sponsored activities and events unless otherwise authorized by the school administration.

DRESS CODE

Students are expected to wear the GREEN uniform at all times and to dress and groom themselves in such a way as to reflect neatness, cleanliness, and safety. The Principal or another duly authorized school official shall determine whether any particular mode of dress, grooming, and accessories is in violation of the spirit and/or the intent of the school's dress code policy. Students and parents are expected to honor the uniform code in order that valuable school time not be spent examining student attire to determine appropriateness.

GUIDELINES FOR CLARIFICATION ARE AS FOLLOWS:

- 1) **Uniforms must be worn properly at all times while at GREEN.**
 - a) Students must be in complete uniform when they arrive at GREEN. Uniforms are expected to remain intact and appropriately worn throughout the entire day at school.
 - b) Students must remain in full uniform until after they leave GREEN.
 - c) PE uniforms must be worn during scheduled PE time (Grades 4-12). The PE uniform consists of the grey t-shirt and the navy blue shorts or sweatpants, all of which must have the official school logo on them. They are only available for purchase at our school. No other items may be worn for PE. Students must stay in their school uniform if they do not have the required PE clothing.
- 2) **Shoes:**
 - a) Shoes must be closed-toe dress shoes in brown or black OR athletic shoes in any color. No heel higher than 1 inch is permitted on any shoe. Students may not wear ANY shoe with a wheel on the bottom. Approved shoes must be worn at all times.
 - b) The emphasis regarding shoes is safety – for that reason, all shoelaces must be tied properly, all buckles fastened, all straps secured or velcroed – nothing may dangle or drag from the shoe (like shoe charms). Slippers, thin-soled shoes, flip-flops, closed-toed shoes with back straps, or open-toed shoes are not permitted. Crocs are not allowed.
- 3) **Pants or Shorts:**

- a) Pants or shorts must be khaki. All pants and shorts must have belt loops, and a belt must be worn through all the loops and fastened appropriately. GENERAL SCHOOL INFORMATION

AFTER SCHOOL ACTIVITIES

Many extracurricular clubs and enrichment activities are offered at GREEN. In most cases, this is a service our teachers provide free of charge to our students. In some cases, nominal fees may be charged for participation in order to cover the cost of materials and/or supplies for some club/activities. There is no better way for students to enrich their education than by taking part in clubs and activities and working with a teacher. These opportunities allow you to participate in current interests and try other areas that peak your interest.

Students sent to the Administrative offices to sit out of classroom time may not participate in after school activities on the day(s) the time is served. Students staying for after school activities will be expected to obey the following rules risk being banned from after school activities:

- You must be with a teacher or other staff member at all times.
- You must abide by the GREEN Code of Conduct while participating in the activity.
- Your school activity privileges will be canceled if discipline becomes a problem.
- You must clear the school building immediately following after school activities.
- You must arrange for your own transportation to arrive promptly at the end of the activity.

Signing up for after school activities is required for each semester in order to be eligible to participate. If a student does not have any after school club or activity he/she should report to after school care.

AFTER-SCHOOL CARE PROGRAM

The After-School Care Program is established to accommodate parents who cannot pick up their students by regular dismissal time. Students will be hosted under the supervision of an adult and will be expected to read, study, and do homework during this time. ***If a student does not abide by school rules, they will receive 3 verbal warnings before they will be removed from the After-School program.*** Parents will be notified of each warning. Please visit our website or stop by the front office to get more info about after school care. Children in households with incomes up to 185 percent of the federal poverty level are eligible for a %30 discount for after-school rates upon application. The charge for this service is as follows:

TIME: Dismissal - 6:00 pm	Daily Fee	Monthly Fee
For one child	\$20	\$250
For two children	\$30	\$400
For three children	\$40	\$500

ANNOUNCEMENTS & COMMUNICATIONS BETWEEN SCHOOL & HOME

The Governing Board, Administration, Teachers and Staff at GREEN are dedicated to keeping our school community and families informed. Official announcements are made via our weekly email. **We STRONGLY encourage everyone to read our Weekly Announcements email and check our website on a regular basis. All critical info that comes from this school will come via the weekly email (including**

club and class sign-ups, field trip forms, meeting information, date and time changes, etc.) With so much information to convey, we use this as our primary source of sharing and do not send hard copies.

Every effort will be made to ensure good communication between the home and the school. Parents may communicate directly with the school's staff members via e-mail, voice mail, or written request. **However, all communications from the school are sent via email, so you MUST have a working email address on file to receive school news regarding events, clubs, etc.**

Teachers and staff members have 48 hours to respond back to parent calls, emails, and etc.

BATHROOM

All students enrolled in K4 and K5 must be potty trained.

BIKERS & WALKERS

GREEN takes no responsibility for student walkers and bikers. Any bikers or walkers must be at or above 13 years of age. At the lower school no bikers or walkers are allowed.

BIRTHDAY CELEBRATIONS (LOWER SCHOOL)

If you wish to celebrate your child's birthday at school, you may bring treat bag(s) (**no food items including candy, cupcakes, and cookies**; an example may include stickers, pencils, appropriate toys, etc.) for them to receive in the last 10 minutes of the school day. If goody bags include any type of food items, they will be confiscated. We prefer treat bags since so many of our students have food allergies/restrictions. With prior teacher approval, you may stay with them.

BOOK BAGS/BACKPACKS

Students may use book bags to transport only school materials to and from school. During the school day, however, all book bags remain in students' cubs / lockers. **ROLLING BACKPACKS WILL BE ALLOWED ONLY WHEN NO LOCKERS ARE PROVIDED.**

CARLINE

The Traffic Flow Diagram showing how our carline works can be found on the school's website. To be sure all drivers on school property obey the rules to keep our children safe and to be respectful of other drivers, please comply with the following:

- **NO** cutting in front of other drivers in the line or cutting across the line to bypass it.
- **NO** parking your vehicle and walking children through the carline.
- **NO** letting students out of your vehicle anywhere, except the curb in front of the building.
- **NO** honking your horn for any reason at staff or students in carline.
- **NEVER talking & texting on your cell phone when cars are moving!**

CLASSROOM OBSERVATIONS

GREEN values the concept of parents as partners in education. Parent and community support and assistance are vital in all facets of the school program. Parents of currently enrolled students or prospective students may wish to observe the classroom setting or perhaps volunteer to serve as an instructional partner in the classroom. **To minimize disruption of the classroom environment, all classroom observations must be scheduled in advance with the teacher and/or Administration.**

CORRECTIONS AND/OR MODIFICATIONS TO THIS HANDBOOK

GREEN Charter School reserves the right to make changes or modifications to this handbook as needed. The latest version will always be available on our website at www.scgreencharter.org.

EMERGENCY DRILLS

Emergency preparedness drills will be held throughout the school year so students will be trained to act properly in an emergency. These drills will include fire, tornado, and other crisis emergencies.

ENROLLMENT

Parents will be asked to pay supply and technology fees each school year. Re-enrollment information/verification will be sent via email during the 3rd quarter. Once a child is withdrawn, they must reapply and return to the waiting list or be added back to the lottery.

FIELD TRIPS

Field Trips offer exciting ways to learn. GREEN students will have the opportunity to go on field trips at various times throughout the school year. Grade level and/or team sponsored day trips are offered to most students. **Students who have received three days of out-of-school suspension (OSS) during the school year, may not be eligible to participate in any overnight field trip for the rest of the school year, and any fees or deposits paid earlier will be non-refundable, as determined by admin.**

Also, any student who has demonstrated an inability to follow rules may be prohibited from participating – this determination will be made by administration on an individual basis. Any fees or deposits paid are nonrefundable. For all trips, you must follow these rules:

- You must abide by the GREEN Code of Conduct while on the field trip.
- You must follow the GREEN Dress Code unless otherwise specified.
- You must bring to school the Field Trip Permission Slip, signed by your parents or guardian, by the specified date.
- If a student is in danger of failing and/or has absentee issues, they may not be allowed to participate in field trips. If money is paid up front it will not be reimbursed.

Parent chaperones must adhere to the guidelines that will be emailed and/or attached to the permission slip form. Additionally, for all field trips parents must have an updated and cleared SLED Background check in order to chaperone; if not cleared you cannot chaperone. SLED checks expire every three years. It will be left up to teacher/administration discretion when selecting chaperones for field trips. Several criteria may be considered when selecting chaperones. Examples may include but are not limited to frequency of previous attended field trips, parent/guardian conduct, availability/scheduling, etc.

GREEN Charter School reserves the right to deny chaperones at any time.

HALL PASSES

Teachers will issue hall passes to students who have **justifiable** reasons for leaving the room.

HOME VISITS

Research shows that home visits help with both academic and behavioral performance. The overall goal of home visiting is to help strengthen the relationship between parents and teachers. Home visiting programs are an effective way for teachers to get parents involved in their child's education, and to let parents and children know how much they care. Therefore, GREEN encourages teachers to visit their students at their homes.

LOCKERS

Lockers, if applicable, are for storing books, coats, and personal items necessary for school. Students should not bring valuable items from home. To keep your items safe, we strongly advise you to keep your locker combination and space private.** You should report any damage, vandalism, or the inoperable condition of your locker to the office. If you do not report vandalism, damage or the inoperable condition of your locker, you will be held responsible for it. Please remember that your locker is school property and remains at all times under the control of the school. You, however, have full responsibility for the security of your locker and what is in it. School officials may make inspections. No item considered dangerous by the administration may be kept in the lockers and will be removed if found there. Due to the small size of GREEN's lockers, book bags must be small enough to fit inside it. **Students attending GREEN should not expect privacy in regard to the contents of their lockers, desks, or other school property.**

In regards to the lost and found, parents are able to look through the Lost and Found to search for a missing item. At the end of each quarter, the school reserves the right to donate, resell, or repurpose any items left in the Lost and Found closets. Should the owner find the item themselves or it be returned directly to them, they should notify the Main Office as soon as the item has been located.

The school is not responsible for lost/stolen items brought to school. Examples may include but are not limited to: clothing, cell phones, sports equipment, toys etc.

Parents will retrieve the cell phone from the Admin and/or the front office at the end of the day. **This may also be applicable to smart watches. At the lower school cell phones must be turned off and kept in student's locker; if the student does not have a locker it must be kept in the student's backpack.**

Note: If it is determined that the textbook is lost, the student will pay for the lost textbook/workbook.

VIDEO OR AUDIO SURVEILLANCE USED BY THE SCHOOL

GREEN may use video or audio surveillance to monitor halls, classrooms, and common areas, to ensure student and faculty safety. Additionally, this video or audio surveillance may be used for evidence in disciplinary situations, as well as remote viewing or monitoring of various school activities, school entrances and school parking areas. Viewing requests by parents may be refused or limited where viewing would be an unreasonable invasion of a third party's personal privacy, would give rise to a concern for a third party's safety, or on any other grounds recognized in the Privacy Act. No other request for viewing may be honored. Approved viewings must be done in the presence of the Principal or designee.

VISITORS/VOLUNTEERS ON CAMPUS

All visitors must first report to and sign in at the Main Office and wear a visitor's badge before going to other parts of the building. You will be required to have your Driver's License.

The administration and staff of GREEN Charter School are appreciative of all persons who are willing to commit time and energy to helping students succeed and to provide an excellent place of learning for all students. It takes a combined community to accomplish this, and we welcome volunteers to join in the goal of making our school the best that it can be.

NO pets or animals are allowed on campus unless cleared by administration.

Volunteer Responsibilities

Every volunteer must report to the main office and present their driver's license, state issued identification or valid passport upon arrival. All volunteers will need to obtain a visitor's badge from the main office. No one will be permitted in the building without a visible visitors badge. All volunteers must have an updated SLED check on file in order to participate in activities within the school. If the volunteer does not have a cleared SLED check the volunteer may not participate in activities within the school. Examples of this include, but are not limited to field day, field trips, volunteering in the classroom. At the end of the volunteer time, the volunteer should report to the office.

Volunteers play a key role in the classroom and other school-related activities. Teachers plan volunteer activities, but they do understand when occasions arrive when a volunteer has to cancel. Please provide the teacher with as much advance notice as possible if you cannot volunteer for a scheduled time. Teachers and other staff will do the same, should their volunteer requirements change.

Volunteers shall exercise mature judgment in supervising children and shall in all instances respect each student's rights and privacy. It is essential that confidentiality is maintained. It is essential that confidentiality is maintained and that student/parent contact information is not shared. Volunteers should discuss any concerns directly and exclusively with the supervising teacher/staff.

Volunteers should be willing to perform a wide range of assigned tasks. This includes activities such as copying, cutting, sorting, collating, laminating, putting up or taking down bulletin boards, and working directly with students. Each of these activities makes a contribution to the school. All are valuable to the teachers, staff, and students.

Volunteers are responsible for understanding and using the specific approach demonstrated by the teacher/staff so that the children are dealt with consistently and fundamental concepts are followed. Volunteers are not allowed to overstep the boundaries of the rules/expectations that the teacher/staff have in place.

Volunteers should make outside arrangements for child care of non-school age children instead of bringing them to school during volunteer time.

Each faculty and administration will determine how to most effectively use volunteers. In some cases a decision may be made to use volunteers in classrooms other than that of a volunteer's child; however, it is the expectation that the volunteer may not roam/navigate to other classes without teacher/administration approval. In some cases, volunteers may be asked to not return- this decision will be left up to teacher/administration discretion; we will not be required to provide a reason.

Teachers will provide written and/or oral directions for activities they want volunteers to execute. Volunteers are expected to complete designated activities given by the teacher. If a volunteer doesn't understand the activity assigned, he/she should ask for a demonstration and/or clarification at an appropriate break.

Students need to stay focused and on task in class. Therefore, we appreciate it if distractions are kept at a minimum and cell phones are turned off or placed on vibrate. Remember you are an adult and we ask that you are a role model and lead by example for our students.

Disciplinary action is the legal responsibility of administrators and school staff. Volunteers should not be put in a position of having to enforce discipline. If you are having a problem, immediately inform the teacher or appropriate staff member.

Volunteer Tips/Suggestions

To ensure the most productive and positive experience for classroom volunteers, the following suggestions may be useful.

1. Set up a conference with your teacher or coordinator to discuss scheduling and duties. Teachers plan around your help so please adhere to the schedule. Call the office in advance or email the teacher directly if you need to cancel your volunteer time.
2. Develop a set routine for receiving assignments, written or verbal, so you can begin tasks with a minimum of class disruption.
3. Treat your child as you would every other child in the class. Too much interaction can be disruptive to all students.
4. Respect that a teacher's desk and closet are private.
5. Never discuss any child's classroom performance or behavior.
6. Save all questions regarding your child's performance or behavior in school for a conference.
7. Make appointments to confer with your child's teacher before or after school, not during your volunteer time.
8. Teachers, not volunteers, are responsible for communication to parents. Please discuss any issues with the teacher.

HEALTH SERVICES

Healthy Students

GREEN recognizes that healthy students learn better. The purpose of school nurses at GREEN Charter Schools is to enhance the educational process while removing health related barriers to learning. GREEN Charter School nurses accomplish these activities in partnership with students, parents, school staff and local community resources.

If you have questions or concerns related to your child's health or school nursing services, please contact your school nurse. It is especially important to report any illness or condition that your child has that may require medical support during the school day.

HEALTH ROOM POLICY AND PROCEDURES

Visits to the Health Room

Students must obtain a pass from a teacher to go to the Health Room. Every effort is made to keep students in school if at all possible. If a student is injured or becomes sick at school, the student should be assessed and evaluated by the school nurse. If it is determined that your child is too ill to remain in school, a parent or guardian must pick the student up from school. It is essential that we have current information about how to contact parents/legal guardians at all times. Students will be sent home with the following illnesses: active vomiting or diarrhea; a fever of 100 degrees Fahrenheit or above; any condition that may be contagious; an injury or illness that requires further evaluation by a physician. While we respect the priority placed on academic achievement and realize many students have a goal of perfect attendance, parents should not send a child with a fever or contagious illness to school.

Contacting Parents

If your child comes to the Health Room and needs to go home, we must contact a parent or legal guardian. We cannot send a student home with anyone until a parent has been notified. Please make sure all contact information is updated as needed as it is very important that we have current information about how to contact you at all times. If your child has an emergency situation or needs immediate care that cannot be provided at school, those contacts you list will be called if we cannot reach a parent first. Please understand that this is for your child's protection.

Parent Reminder

Neither GREEN Charter, nor its personnel, assume any financial responsibility for treatment or transportation cost should your child require Emergency Medical Services (EMS) for any emergency situation that cannot be treated at school.

Illness Protocol Reminders:

- If your student has a fever, they must be fever free for 24 hours before returning to school (this means without the use of fever reducing medications). Fever is defined as a temperature of 100 or greater.
- If your student has diarrhea, they must be diarrhea free for 24 hours before returning to school (this means without the use of diarrhea suppressing medication). Diarrhea is defined as 3 or more episodes of loose stools in a 24 hour period.

- A student must not come to school if vomiting 1 or more times in 24 hours. A student must remain out of school for 24 hours from the last vomiting episode and have eaten 1 or 2 meals without vomiting before returning to school.

Immunization Requirements

According to South Carolina state law, a child cannot be admitted to any school without a valid SC Certificate of Immunization or a medical, religious, or special exemption at the time of school entrance. Students entering from another South Carolina school must submit an immunization record at registration. Students from out-of-state may obtain a special exemption and have thirty (30) days to obtain a valid SC Certificate of Immunization record from a healthcare provider or from the Health Department. Students that do not meet immunization requirements will not be allowed to remain in school. Complete immunization information can be found on the South Carolina Department of Health and Environmental Control (SCDHEC) website.

Student Medication Policy

When possible, medications should be given before or after school so the parent/guardian administers the medication.

All medication required to be given at school must be delivered to the School Nurse or designated school employee by the student's parent, legal guardian or a previously designated adult. It is against School District Policy for a student to carry ANY medication on their person without physician permission, parent permission and school district permission to self-administer and self-monitor. (SC Law S144) All medication will be maintained in the health room. Violations of the medication policy are dealt with sternly. Medication needed on field trips is also covered by this policy and must be given to and administered by an employee of GREEN Charter Schools designated by the school Principal. There are separate permission forms for medications on field trips.

For your child's safety please remember:

- ALL PRESCRIPTION MEDICATION must have written parental and physician authorization before it can be administered at school.
- ALL PRESCRIPTION MEDICATION must be administered as labeled and Over-the-counter (OTC) medications may not exceed package directions.
- ALL PRESCRIPTION MEDICATION must be brought to school by a parent, legal guardian, or designated person over 18 years of age and given directly to the school nurse or designated school personnel.
- Prescription medications must be received in the original container with pharmacy label present listing student's name, name of medication, dosage, and amount clearly visible on the bottle/container.
- OVER THE COUNTER MEDICATIONS (OTC) may be provided by the parent if it is in a new - unopened container, clearly labeled with the student's name and is accompanied by written parental permission on the GREEN Charter School Authorization for Non-Prescription Medication at School.
- OTC medications that are to be given daily for more than one week will require a doctor's order.
- Parents are responsible for knowing the expiration date of any medication brought to school and replacing medication before the expiration date. GREEN School Nurses will not administer any medication passed the expiration date.
- It is the responsibility of the parent /guardian to inform the school of any changes. New prescription medications or new doses will not be given at school unless a new GREEN Charter School Prescription Authorization form is completed and a newly labeled pharmacy container is provided.
- Any newly prescribed medications or changes in dosage must be initiated at home for at least two to three days so they parent /guardian can monitor student for adverse reactions.
- Medication authorization forms are only valid for the current school year and must be renewed each school year.
- **ALL MEDICATION MUST BE IN THE ORIGINAL CONTAINER.**
- School nurses are legally required to administer only medications with FDA approval.
- No medication containing ASPIRIN can be given at school without a doctor's authorization. This includes but is not limited to Pepto Bismol, Excedrin, and some OTC cold medications.
- If your child forgets to take a morning dose of medication, GREEN School Nurses are not allowed to give that dose at school. Parents may come to the Health Room to give the missed dose once the parent has brought the medication to school.
- Students with medication prescribed by a health care provider contained in the original packaging and appropriately labeled may carry these medications, may self-monitor and may self-administer these medications only if we have permission from the prescribing physician and the parent/legal guardian. If there is sufficient evidence that unsupervised self-monitoring or self-medicating would seriously jeopardize the safety of the student or others, (stimulants, pain relief medication, and anti-depressants for example) GREEN Charter School District may refuse to allow the student to carry his/her medication. Medications that are approved for self-administering are asthma inhalers, insulin for diabetic students, and Epi-Pens for severe allergic reactions.
- Unused medication will be disposed of unless picked up within one week of being discontinued. Medications that are not picked up will be disposed of in a manner that respects security as well as environmental concerns.
- At the end of each school year any medications that are not picked up by a parent/guardian by the last day of school will be destroyed. No medications are permitted.

GREEN Charter Schools and its employees reserve the right to refuse to honor medication requests that are not consistent with professional standards, accepted prescribing limits (e.g., manufacturer's guidelines, Physician's Desk Reference, etc.), deemed unsafe for the school setting, and/or other legitimate reason(s). A licensed nurse may refuse to administer any medication that, based upon the nurse's individual assessment and professional judgment, has the potential to be harmful, dangerous, or inappropriate. If this occurs, alternatives for meeting the student's needs will be discussed.

Head Lice

If a student is discovered to have head lice:

1. The parent is notified.
2. The student should be treated for head lice before returning to school.
3. Parents will notify the school that the student has been treated.
4. Before the student can be allowed back into school the school nurse must check the student's head with parent/guardian present to assure there is no live lice or excessive nits present.
5. Sometimes, students in an entire classroom may be checked for lice; however, this is time consuming and an interruption to the instructional program. Parents are expected to assume responsibility of checking their children's hair regularly.
6. Hair must be free of lice and excessive nits before returning to school. Chronic problems with these will be checked frequently.

GREEN Charter Schools utilizes the South Carolina DHEC School and Childcare Exclusion List as a reference guide for excludable illnesses along with school district policies to protect students, families, and staff.

School Exclusion List

In the best interest of students and staff, we request that you keep your child home if he/she is sick. A child should be fever free for 24 hours before returning to school. A fever is defined as a temperature 100 F or greater. South Carolina Department of Health and Environmental Control (DHEC) has developed an exclusion list of illnesses when a child MUST be kept out of school. The list includes length of exclusion and if physician follow-up and/or a medical note is required before the student may return to school. Physician parents may not write a medical note for their own child. The medical note must be provided by an objective care provider. If a student develops a communicable disease, the parent should notify the school nurse. This will allow the nurse to alert the teachers to observe other students for symptoms or to notify appropriate SC DHEC officials if needed. Please visit the South Carolina DHEC website for the full exclusion list. Parents may also request a copy of the exclusion list from the school nurse.

Direct Contact Communicable Diseases

GREEN seeks to provide a safe educational environment for students and staff. GREEN is also committed to assuring the confidential status of individuals who may have been diagnosed with a blood-borne communicable disease. Student instruction will be developmentally appropriate. This can be best accomplished by assuring that all persons within the school community understand the method of transmission and prevention of disease that is not contracted through air-borne pathogens, but rather, through direct contact with bodily fluids and excretions, especially blood, vomit, feces, or urine. For purpose of this policy, these diseases shall include:

- A. HIV (human immunodeficiency virus)
- B. AIDS (acquired immune deficiency syndrome)
- C. AIDS related complex (condition)
- D. HAV, HBV, HCV (Hepatitis A, B, C)
- E. Other diseases that may be specified by the State Department of Health as contact communicable diseases.

GREEN Charter School wants to assure that students and/or staff who reveal the fact they have contracted one of these diseases will have their status safeguarded in accordance with Federal and State statutes dealing with confidentiality, and that their civil rights will be respected.

Illness / Injury / PE and Recess Excuses

If a student is to be excused or limited for 3 or more consecutive days from participation in school activities, then he/she is required to bring a statement signed by a physician. Students who are unable to participate in Physical Education or recess activities OR who receive stitches/staples or require the use of assistive device (i.e. crutches, cast, cane, air cast, wheelchair, etc.) are required to bring a physician's note detailing the following:

1. Medical/Injury diagnosis
2. Date student may return to school
3. Activity restrictions
4. Return to full activity date
5. Statement of student's need to use crutches, splints, etc and for how long (if applicable)
6. Date student may resume participation in sport practices and games

Suicide Prevention

All school personnel and students will be expected to help create a school culture of respect and support, in which students feel comfortable seeking help for themselves or friends. Students are encouraged to tell any staff member if they or a friend are feeling suicidal or are in need of help. While confidentiality and privacy are important, students should know that when there is risk of suicide, safety comes first. The following resources are available for additional support:

— Mental Health America of Greenville County: (864) 271-8888; TEXT CRISIS LINE TO 839863 (TEXTME)

— National Suicide Prevention Lifeline: 1-800-273-TALK (8255) suicidepreventionlifeline.org

Consent for Media Release

During the school year students may be photographed, digitally recorded, or interviewed at various school sponsored events. The photograph, video, or interview may be reproduced and released for use by the media, i.e. newspapers, brochures, videos, television, and through the internet. Parents have the right to determine whether or not student to participate in these activities. The Photography and Publicity Release Form is included at the end of this Handbook.

STUDENT CODE OF CONDUCT

It is our belief that good discipline is one of the cornerstones of a good education, and that to ensure good discipline a close, cooperative relationship must exist between the home and school. It is our goal to provide close communication with parents/guardians at the onset of discipline problems, so that together we can find alternatives for the student, and so they can experience success in their relationships at home and at school.

For this discipline program to be successful, students must make choices for themselves and **be responsible for their own behavior as well as for their academic performance**. Students who make poor choices cannot, and should not, place blame on the environment, parents, the school, and/or peers. All persons involved in committing, planning, participating, helping, advising, encouraging, or benefiting in the violation of a rule or code of conduct are parties to the violation. While the school will help students develop good decision-making skills, ultimately, the future is determined by each student's own actions. The procedures in the discipline program will be followed in a fair and consistent manner.

CLASSROOM MANAGEMENT PLAN

GREEN uses a school-wide Classroom Management Plan in which all faculty and staff work in a cooperative systematic effort to encourage a successful learning environment. This plan is designed to ensure an effective learning atmosphere for all students and to curtail any minor inappropriate behaviors that disrupt the learning environment.

School-Wide Rules:

- Respect yourself and others
- Follow directions the first time
- Be prepared for each class
- Keep your hands and feet to yourself
- Transition quickly and quietly

The structure of the Classroom Management Plan consists of four main parts:

- **Rules** - the expected behavior for all students
- **Consequences** – what the student chooses to accept if a rule is broken
- **Rewards** - what the student receives for appropriate behavior and/or going above and beyond (Lower school - Owl Cash)

GENERAL BEHAVIOR GUIDELINES OUTSIDE OF THE CLASSROOM

In the Gym and Bathrooms:

Students are not permitted in the gym or outside during class periods unless accompanied by a teacher or have a hall pass from an authorized staff member. Students found in the gym or outside without passes will be subject to disciplinary action. Gym and lavatories are areas used by all members of GREEN. Because everyone uses these areas, there are rules of conduct that all students must follow:

1. Do not roughhouse, push, or wrestle
2. You may not eat or drink in the gym and lavatories
3. You may not run in the gym and lavatories
4. You must do your part to keep these areas clean and safe
5. You may not use any profane or vulgar language while in these areas
6. You may not loiter in the gym and lavatories
7. Make sure you clean up after yourself and appropriately dispose of all trash
8. Report any leaks, spills, or other problems in the lavatory to a teacher or the office
9. You may not yell, scream, or make excessive noise while in these areas

In the Cafeteria:

1. No loitering in the cafeteria
2. Keep tables, chairs, and floors clean
3. Talk in a normal voice (classroom voice)
4. No backpacks allowed in the cafeteria
5. Dispose of trays, trash and debris in trash cans or compost.
6. Keep hands, feet, personal belongings and food to yourself
7. Keep cafeteria lines orderly... no pushing, running, or cutting in line
8. Students who mutilate or deface school property will be fined an amount necessary to cover the cost of restoring the damaged property, as well as receiving appropriate disciplinary action.

RESPONSIBILITY FOR INDIVIDUAL ACTIONS OR CHOICES

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional.

CLASSIFICATIONS OF VIOLATIONS

Violations of the Code of Student Conduct are grouped into four classes:

- Class I: Minor
- Class II: Intermediate
- Class III: Major
- Class IV: Zero Tolerance

Each classification is followed by a disciplinary procedure that is to be implemented by the school administration. It is understood that when a violation of the Code occurs, the student's explanation shall be heard by the school administration before determining the classification of the violation. The school administration will review each case individually before assigning consequences.

Classroom teachers will address general classroom disruptions by taking appropriate in-class disciplinary actions. These include, but are not limited to, personal calls to the parents, parent/teacher conferences, referral to a guidance counselor, etc. A detailed classroom management plan is described in the "Classroom Management Guidelines" section of this handbook. If such measures do not put an end to the disruption, a disciplinary referral is appropriate. (Failure to bring notebook, pencil, books, required materials and equipment to class, or failure to work in class, are not cause for disciplinary referrals.)

Neither GREEN Charter School employees nor the Governing Board assumes any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.

NOTE I: These rules apply to all students at school or school-sponsored activities, including field trips (and while on school transportation), athletic fields, stadiums, parking lots, and other sites used for school-sponsored activities.

NOTE II: Repeated violations of the Code of Student Conduct in school will be considered willful disobedience and/or open defiance of authority resulting in possible suspension or expulsion from the school for the remainder of the school year or a specific period of time.

NOTE III: There shall be no type of hazing during any school sponsored event, club, organization, or class within the school or off campus. Hazing shall be defined as any action or situation for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the school which recklessly or intentionally endangers a student's mental or physical health or safety. Acts of hazing shall be addressed and will result in the appropriate consequence being administered in accordance with the Code.

NOTE IV: Federal and state laws grant individuals reasonable expectations of privacy, and freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students. Students may be subject to search of person or property if a reasonable suspicion exists that the student may have violated the Code of Student Conduct or state or federal law. Be advised that student lockers and other storage areas (including, but not limited to, motor vehicles, book bags, pocketbooks, notebooks, pockets, etc.) may be searched.

NOTE V: Be advised that students will be held responsible for prohibited items in their personal control, such as items located in vehicles, book bags, clothing or items belonging to someone else.

NOTE VI: Technology-based infractions may result in a suspension of network and/or Internet access. Alternative instructional materials may be provided.

NOTE VII: Cyberstalking means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Cyberbullying, is defined as the willful and repeated harassment and intimidation of a person through the use of digital technologies, including, but not limited to, email, blogs, social websites (e.g., Facebook, Twitter, and YouTube), chat rooms, instant and text messaging, and cell phone technologies.

Students will not use school equipment or networks to engage in cyberbullying or cyberstalking including, but not limited to, the posting of harassing messages on the internet, social networking sites, or other digital technologies, which may include social cruelty, direct threats, or other language or expression unprotected by law. Cyberbullying or cyberstalking may also include breaking into another person's account and assuming that person's identity in order to damage that person's reputation or friendships.

NOTE VIII: ANTI-BULLYING POLICY: The policy of GREEN is that all of its students and school employees have an educational setting that is safe, secure, and free from harassment and bullying of any kind. Accordingly, GREEN will not tolerate bullying or harassment against any student, employee, visitor, volunteer or agent who works on school-related activities, subject to the control of school officials. This policy shall be interpreted and applied consistently with all applicable state and federal laws. Conduct that constitutes bullying and harassment, as defined herein, is prohibited.

GREEN prohibits the bullying or harassment of any student or school employee, volunteer or agent:

- During any educational program or activity conducted by GREEN;
 - During any school-related or school-sponsored program or activity;
 - Through the use of data or computer software that is accessed through a computer, computer system, or computer network of GREEN.
- The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action.

Note VIII: GREEN Charter School will not accept any student that has a history of a class IV infraction, has been recommended for alternative schooling and/or are currently attending an alternative school. If a student has multiple suspensions from year to year, the administration team will meet to discuss possible expulsion.

CLASS IV: ZERO TOLERANCE OFFENSES

Class IV acts of misconduct are the most serious. Any Class IV act is grounds for expulsion and will result in a mandatory 10-day suspension with consideration for a recommendation for alternative school and/or expulsion. Major acts of misconduct must be reported right away to the school administrator, and may result in immediate removal of the student from the school. In severe cases, or if the probation is violated, the Principal may recommend immediate expulsion. In selecting this action, the Principal shall consider the age of the student, his/her prior discipline record, the seriousness of the behavior, the intent of the student, and if the health, safety, and welfare of other students and/or staff have been endangered. Violators may be reported to the police and arrested.

FORMAL DISCIPLINARY ACTIONS AND PROCEDURES

Definitions Relating to Formal Disciplinary Actions (As applicable)

The following are examples of formal disciplinary actions that may or may not be used in the school. Students and parents/guardians who desire to have further information about the disciplinary actions used at school should contact officials at GREEN Charter School.

- **Friday/Saturday Detention** – Assignment to a designated area on campus at the end of the regular school day or on Saturday for a specified period of time .
- **After School Detention** -- Assignment to a designated area on campus at the end of a school day for one hour.
- **Alternative Schools and Programs** – Schools and programs developed by the School Board for placement of students who have violated the Code of Student Conduct may be offered these voluntary programs, in special circumstances in lieu of other disciplinary actions. Such schools and programs include, but are not limited to, the Alternative Education Centers, the Substance Prevention Program (nighttime program) and the Students Option for Success Program (nighttime program).
- **Behavioral Contracts** – A contract entered into between a teacher or administrator and a student and his/her parent/guardian in which all parties agree to certain actions in an attempt to modify a student’s behavior. The contract shall also contain consequences for breaking the agreement.
- **Lunch Detention** – Denial of the privilege of eating meals in the cafeteria with other students for a specified period of time and assignment to another area in the school for meals.
- **Buddy Classroom** – Denial of the privilege of attending an individual class for a specified period of time and assignment to another area in the school for the time that class meets.
- **Expulsion** –The School Administration has the sole authority to expel students.
- **In-School Suspension (ISS)** – Assignment to a designated area within the school when a student is removed from the regular school program for a specified period of time.
- **Network/Internet Suspension** – Certain technology-based infractions may result in a suspension of network and/or Internet access. Alternative instructional materials may be provided.
- **Suspension** – Removal of students from their regular school program for a period **not to exceed ten (10) days**. No student who is required by law to attend shall be suspended for unexcused tardiness, absence or truancy.
- **(Disciplinary) Work Assignments** – Supervised activities related to the upkeep and maintenance of school facilities.
- **Withholding of Privileges** – The student may be denied an opportunity to partake in school-related activities and/or events as deemed appropriate by the Principal or designee.
- **Out-of-School Suspension** - Out of School Suspension (OSS) is a formal disciplinary action that can only be assigned by the Principal or designee and requires notice sent to parents via phone or email. The notice will include the students’ conduct, school rule(s) violated, and the number of days the student is suspended. This requirement does not preclude administration from contacting parents by phone and assigning an immediate suspension when deemed necessary. Leaving a message at the phone number recorded in the school file will be considered sufficient notification. A meeting between a parent and an administrator may be required prior to the return of the student serving an out-of-school suspension. However, failure of the parent to attend the conference does not preclude the student’s readmission to the school. All students under out-of-school suspension are prohibited from participating in after school activities and therefore are not allowed to come on the school campus. **If a student receives an out-of-school suspension for more than 3 days, admin will determine participation in any overnight field trips/school extra curricular activities for the rest of the school year.**
- **Option to Withdraw** - A student may withdraw without penalty from a charter school at any time and enroll in another local school in the school district in which the student resides.
- **Academic and/or Behavioral Contract** - Students who have been given consequences based on Step 3 of the disciplinary cycle in any category will be asked to enter into an academic and behavioral agreement. Failure to sign the agreement by the parent and/or student will not hinder the school administration from taking any further actions.
- **ZERO TOLERANCE POLICY** - Students who commit the following offenses will automatically be expelled; issuing a bomb threat; participation of a gang organization; distribution, sale, or attempted sale of alcohol or controlled substances (drugs, i.e. marijuana, etc.) or counterfeit drugs; distribution, sale, or attempted sale of controlled paraphernalia (pipes, papers, etc.); use of alcohol or a controlled substance at the school premises or school sponsored events; arson; repeated offenses of bullying or sexual harassment or misconduct; assault or battery of a school employee, volunteer, or student, assault or battery to a student at the discretion of the administration; possession of a deadly weapon; and the use of dangerous weapons to threaten, intimidate or injure.

STUDENT GRIEVANCE POLICY

Issued: April 2019

Purpose: The purpose of this policy is to provide a clear and efficient process for reviewing and resolving student grievances, which may be filed and pursued by a student, a student’s parent or guardian. GREEN Charter Schools (GREEN) will keep all grievance proceedings

confidential to the extent permitted by law.

The GREEN student grievance process may be used by GREEN students or their parents/ legal guardians as follows:

1. To address an alleged violation of applicable law, regulation or school policy that directly affects the student.
2. To address alleged discrimination or harassment against the student.

A student/parent/legal guardian who files a grievance has the right to be represented by legal counsel at their own expense, but timely notice must be given to the school to ensure the school can also have legal counsel present at any meeting. Meetings will not be held with only one party having legal counsel present.

If the timelines set forth herein are not met, the grievance may be deemed waived by the GREEN official(s) charged with investigating and deciding the grievance.

The GREEN official(s) charged with investigating and deciding grievances are entitled to extend the timelines herein for investigating and issuing decisions if necessary to conduct a thorough and complete investigation into a grievance or appeal.

Step One: Informal Discussion

Subject to the following paragraph, the aggrieved student must first initiate an informal discussion with the other person(s) involved in the incident giving rise to the grievance within ten (10) calendar days of the incident or when the aggrieved student learned of the incident for the purpose of attempting to resolve the grievance.

If the grievance includes allegations of discrimination or harassment against the student, the student is not required to initiate an informal discussion with the person(s) allegedly discriminating against or harassing the student, and the student may proceed immediately to Step Two.

Step Two: Submit a Written Grievance to the Principal

If the informal discussion does not resolve the student's concerns, the student may within ten (10) days after the informal discussion submit a written Grievance Form to the Building Principal.

The student must include in the Grievance Form a description of the grievance, the actions already taken by the student to attempt to resolve the grievance, and the relief requested. A Grievance Form

that does not contain such information will be deemed incomplete and returned to the student to complete within the required timeline. Submission of an incomplete Grievance Form does not extend the required timeline. Only the issues set forth in the written Grievance Form shall be considered thereafter.

Upon the Principal's receipt of the Grievance Form, within ten (10) days the Principal shall hold a conference with the student/parent/guardian and any other individual(s) deemed necessary by the Principal to discuss the allegations. The Principal shall issue a written decision to the student within five (5) school days of the conclusion of the conference(s).

If the grievance includes allegations of discrimination or harassment concerning the Building Principal, the student shall skip Step Two and submit a written Grievance Form within ten (10) days of the incident or when the student learned of the incident to the GREEN Executive Director.

Step Three: Submit a Written Grievance to the Executive Director

If the Principal does not resolve the student's concerns, the student may within ten (10) days after the Principal's written decision was received, submit a written Grievance Form to the GREEN Executive Director.

The student must include in the Grievance Form a description of the grievance, the actions already taken by the student to attempt to resolve the grievance, and the relief requested, the written decision to the student from the Principal. A Grievance Form that does not contain such information will be deemed incomplete and returned to the student to complete within the required timeline. Submission of an incomplete Grievance Form does not extend the required timeline. Only the issues set forth in the written Grievance Form shall be considered thereafter. If new information has been discovered after the Principal has given a written decision, the student must return to Step Two to allow the Principal to consider all evidence. If new evidence is given the same timelines are in effect as stated in Step Two.

Upon the Executive Director's receipt of the Grievance Form, within five (5) school days the Executive Director shall hold a conference with the student and any other individual(s) deemed necessary by the Executive Director to discuss the allegations. The Executive Director shall issue a written decision to the student within five (5) school days of the conclusion of the conference(s).

If the grievance includes allegations of discrimination or harassment concerns from the Executive Director, the student shall submit a written Grievance Form within ten (10) days of the incident or when the student learned of the incident to the GREEN Governing Board.

Step Four: Final Appeal to the GREEN Governing Board

If a student/parent/guardian is not satisfied with the Executive Director's written decision, the student may submit a written appeal to the GREEN Governing Board within ten (10) days of receiving the Executive Director's written decision. The written appeal should be submitted to the GREEN Board

Chair. The written appeal must include a copy of the original written Grievance Form, a copy of the Principal's and the Executive Director's written decision, and a written description of why the student was not satisfied with the Executive Director's written decision. An appeal that does not contain such information will be deemed incomplete and returned to the student to complete within the required timeline. Submission of an incomplete appeal does not extend the required timeline.

Within ten (10) school days of receipt of a written appeal (or the original Grievance Form if the grievance involves allegations of discrimination or harassment against the Executive Director and is filed directly with the Board), the GREEN Governing Board will hold a hearing. The Board will provide the student with notice of the hearing date and the procedures for the hearing in a timely manner. All hearings conducted pursuant to this Grievance Policy are considered non-adversarial. After the hearing, the GREEN Governing Board will issue a written decision within ten (10) days, which will be final and binding. The GREEN Governing Board is entitled to extend these timelines if necessary for the purpose of conducting a thorough and complete investigation.
