5. Upper School College Guidance Presentation - Cori Walter

- GREEN employs a holistic approach to the college guidance process. The steps and strategies for every grade level are diversified to increase the students' awareness of college readiness and applications. Starting from 9th grade to 12th grade, the college guidance office works with students, parents, and counselors to find students' interests on subjects, guide them on their pathway towards identifying their career/job plan and college applications.

- GREEN has 16 students as its first graduates this year: % 94 of the students are accepted by 4-year College or University; %100 of the students are accepted to 2 or 4-year college or university; \$380.00 in scholarships before official financial award letters; our seniors have been accepted to 38 different colleges.

6. Columbia Location Principal - Mr. Adam Johns- Remarks

- GREEN Midlands has been reaching out to different venues such as networking events, conducting on-site tours, and advertising to increase awareness about the school.
- GREEN will work on standardizing the marketing approaches to tell the school instructional goals and strategies to the parents.
- The enrollment goal for GREEN Midlands for the next year is set to be 350 students.

7. CFO Remarks

- GREEN CFO office has transitioned all our services in house.
- GREEN CFO office will work on standardizing and presenting the overall long-term financial projection and outline of bond payments.
