Additional information is available in the school's front office, from the guidance counselor, or online at the following web location https://ed.sc.gov/scdoe/assets/file/programs-services/87/documents/Parent_Brochure-English.pdf.

State- Linda Mirabal-Pace (803)734-6010; lpace@ed.sc.gov

ATTENDANCE

The school year in South Carolina is 180 days long. The Attendance Law says that a student must be present for a minimum of 170 days (along with other criteria) to be considered for advancement to the next grade level. This means the state only allows a student 10 absences for the entire 180-day school year (or 5 absences for a 90-day semester class or 3 absences for a 45-day quarter class). The allowable days INCLUDES medical absences but makes no allowance for vacation times as those should be scheduled when school is not in session.

We strongly suggest that you NOT use any of these 10 days for vacations, as they are your safety net for when your student truly needs them due to illness or injury. Again, medically necessary absences STILL COUNT toward your allowable days. A student must be physically present in class to get credit for that time.

If a student misses more than the 10 days (or other number in parentheses above) allowed by the state, they are at risk of NOT advancing to the next grade level. Schools must approve or disapprove absences whether lawful, unlawful, or a combination of the two (as described below), for purposes of awarding credit for the year.

Parent Notes will excuse a student's absence until they hit the maximum allowable absences. After the maximum, their absence will be excused ONLY with a Medical Note that says the student had to be out the ENTIRE DAY for each day they miss. Please note that teachers are only required to give make-up work and/or tests if the absence is excused. If you have a medical note, please bring it in!

South Carolina law requires school attendance for every child 5 years or older on or before the first day of September until the child attains the age of 17 with limited exceptions. For exceptions, see S.C. Code Ann. §59-65-30. **Parents/legal guardians are primarily responsible for ensuring that their children attend school regularly, and the law provides statutory penalties for those who neglect this responsibility (see section on Truancy).**

GREEN Charter recognizes two kinds of absences and tardiness: excused (lawful) and unexcused (unlawful). Please read the definitions of each carefully so you understand what you and your parents/guardians' responsibilities are. Also, be very aware of the consequences and responsibilities regarding all types of absences, including but not limited to make-up work, catching up on course material, and possible disciplinary action. **All notes for absences should be turned in to the Main Office upon the student's return to school.**

Excused Absences (referred to as Lawful Absences under SC Law)

GREEN Charter School accepts only the following as excusable reasons for absence from school:

Personal Illness: If a student will not be attending school due to an illness or the fact that their attendance in school would endanger either their own health or the health of others with whom they may come into contact, ***please notify your child's homeroom teacher by email.*** We recommend that you copy the main office on the email, but ***please do not contact the office and ask THEM to email your teachers.*** The emails for the main offices are mainoffice@scgreencharter.org (Greenville) or midlands@scgreencharer.org (Midlands).

Serious Illness or Death in the Family: Serious illness or death in student's immediate family necessitating the absence is excused. In the case of serious illness, students are required to present medical documentation to validate the absence(s) as an excused absence within three days of the student's return to school. Families should communicate with the student's homeroom teacher and copy their school's main office at either mainoffice@scgreencharter.org (Greenville) or midlands@scgreencharer.org (Midlands) to inform them of the situation and provide an estimated date of the student's return to school. The number of absences permitted for bereavement is at the principal's discretion but shall not exceed three days.

Legal Requirements: Court order by a governmental agency mandating the student's absence from school is excused. Your parent/guardian should email both the homeroom teacher and your school's main office at mainoffice@scgreencharter.org (Greenville) or midlands@scgreencharer.org (Midlands) to explain the situation and give an estimated time of absence. Bring a copy of the court order documentation when you return to school.

Special or Recognized Religious Holidays/Instruction/Ritual: Special or recognized religious holidays/instruction/rituals observed by the student's faith are excused, up to three per year. Additional days would require administrative pre-approval. Your parent/guardian must email your homeroom teacher and the main office at either mainoffice@scgreencharter.org (Greenville) or

midlands@scgreencharter.org (Midlands) to explain the situation and give an estimated time of absence. **You must also provide a notice from your religious institution/congregation upon your return to school.**

Weather or Environmental Conditions: Weather or environmental conditions rendering attendance impossible or hazardous to the student's health or safety may be excused. Your parent or guardian must email your homeroom teacher and copy your main office mainoffice@scgreencharter.org (Greenville) and midlands@scgreencharter.org (Midlands) to explain the situation and give an estimated time of absence.

Financial or Other Conditions: Other absences to be determined by, and at the discretion of the Principal, may be excused.

Administration Approved Absences: Other absences may be considered and **preapproved** by administration through a formal request process. Please keep in mind that even if an absence is excused, a student should miss no more than 10 total days for the entire year.

Out of School Suspension (OSS): School days missed as a result of an out of school suspension shall not be counted as unexcused for the purpose of determining truancy. GREEN Charter allows students who miss school for an out of school suspension to make up any work missed (refer to the section "Make-up Work for Excused Absences").

Unexcused Absences (referred to as Unlawful Absences under SC Law)

An unexcused absence is a part of a student's school record. Students will be marked unexcused for:

Failure to Attend School: Failure to attend, with or without the knowledge of the parent/legal guardian, for reasons other than those specifically outlined as excused will be considered unexcused. Suspension does not constitute an unlawful absence for truancy purposes.

Make-up Work for Absences (Excused and Unexcused)

Absences from school, whether lawful or unlawful, one day or several, do not release students from their class responsibilities on the day they return. Students who have been absent will be given the same number of days that they were out to make up missed work.

On their first day back to school, it is the student's responsibility to find out what work needs to be made up and when it is due – failure to do this will result in a zero for each of those assignments.

Make-up tests will be scheduled at a time designated by the teacher. It is the student's responsibility to take the test then. If the student fails to do so, the teacher is not obligated to set another time. If the student fails to make up a test without making other arrangements, the teacher is not required to give the student.

Earning High School Credits

In order to receive one Carnegie unit of credit, a student must be in attendance at least 120 hours, per unit, regardless of the number of days missed, or must demonstrate proficiency as determined by GREEN Charter School. This exception to the 120-hour requirement will be reviewed by the administration on a case-by-case basis.

Arriving to School Late (School Tardiness)

Start of Day Tardiness

School begins at 8:00 AM. Students who arrive after the doors close (*including carpools*) **must have their driver come into the Main Office to sign each student in as tardy.** Once the student(s) have been properly signed in, they will get a "late slip" for admittance to class (Excused Tardy for medical reasons or Unexcused Tardy for most other reasons). Habitual tardiness may result in disciplinary action based on the "Minor Violation Discipline Cycle" or an appropriate arrangement for making up missed class time.

If we notice that a family gets into a pattern of sending a tardy student into the Main Office alone and not coming in to sign them in, we will begin holding your student in the lobby (each additional time they enter tardy and alone) until their first period class is complete.

Class Tardiness

Students are given about four minutes to get to each class. They are expected to be sitting in their assigned seats when the class starts; otherwise, they are considered tardy. If a student has checked in late via the Main Office, the student should have an admit-to-class slip showing their tardiness as either Excused (medical) or Unexcused (non-medical). Repetitive tardiness will result in the student receiving a disciplinary consequence based on the "Minor Violation Discipline Cycle."

Class cuts/Skipping

A class cut occurs when a student is absent from class for more than 5 minutes without permission from the teacher or authorization from the office. Students who become ill or need to see a counselor or administrator during class time should FIRST report to class and obtain permission and a hall pass from the teacher. If a student is too ill to report to the office, he/she should have another person notify the office at once so that the nurse or a member of the administrative team may be called.

Leaving School Early (Early Dismissals)/Drop Offs

Leaving school with a parent/guardian prior to the official end of the school day is considered an early dismissal. Persons picking up a child must be prepared to show a photo ID and have been previously approved by the parent/guardian and officially recorded on the paperwork in the student's file at school. **Students cannot be checked out during the last 30 minutes of the last period.**

Grades K-2 must be in the classroom receiving instruction for a minimum of 3.5 hours (including lunch) to be counted present for the day. Grades 3 and above must be in each class receiving instruction for a minimum of 25 minutes in order to be counted as present for that class. Since these students change classes throughout the day, they will receive credit only for the classes they were present. Students leaving school before meeting these requirement will be considered absent for either the day (K-2nd) or the class(es) (3rd and above).

If early checkouts become habitual, a parent or legal guardian must be prepared to show appropriate documentation verifying the necessity of an early checkout at the time the student is released from school.

Students may not be dropped off earlier than 7:15 AM. GREEN will not take any responsibility for early drop offs before 7:15 AM.

Truancy

It is the intention of GREEN Charter School to make sure your children succeed academically. However, a student who is not here cannot be successful. As such, the following is a description of the process we must follow when students are absent from school without valid excuse or documentation:

1. **After 3 consecutive days of unexcused absences**, the child is considered truant, and the parent/legal guardian will be contacted by the school *via phone or email* to request a conference with student and parent/guardian to address the absences via the development of a Truancy Intervention Plan.
2. **If there is no response to the above and 2 more days are missed (for a total of 5 consecutive days)**, the child is considered a habitual truant, and the parent/legal guardian will be sent an email to request a conference with both parent/guardian and student to address the absences via the development of a Truancy Intervention Plan. It will be noted in the letter that South Carolina law allows only 10 unexcused absences per academic year before advancement is at risk.
3. **After 10 consecutive days of unexcused absences:**
 - a. GREEN Charter School will drop the student from our enrollment on the 11th day.
 - b. GREEN Charter will contact the student's district of residence to see if the child has been moved back into that school system.
 - c. If the student is not in their district of residence AND we have a Truancy Intervention Plan in place OR we have documentation to show reasonable efforts were made to create a Truancy Intervention Plan, then GREEN Charter will refer the student to the SC Family Court for truancy.

South Carolina Board of Education Regulation (SBE) 43-274 specifies state requirements for school attendance. Truant students are classified as Truant, Habitual Truant, or Chronic Truant.

Truant refers to a child 6 to 17 years old who has accumulated 3 consecutive unexcused absences, or a total of 5 unexcused absences for the academic year.

Habitual Truant is a child 12 to 17 years old who (1) has accumulated 2 or more ADDITIONAL unexcused absences and (2) has failed to comply with the Truancy Intervention Plan.

Chronic Truant is a child 12 to 17 years old who (1) has been through the school intervention process, (2) has reached the level of habitual truant and has been referred to family court and placed under an order to attend school, and (3) continues to accumulate unexcused absences.

Details Regarding SC Attendance Law

SC Code § 59-65-20 (2013)

Penalty for failure to enroll or cause child to attend school.

Any parent or guardian who neglects to enroll his child or ward or refuses to make such child or ward attend school shall, upon conviction, be fined not more than fifty dollars or be imprisoned not more than thirty days; each day's absence shall constitute a separate offense; provided, the court may in its discretion suspend the sentence of anyone convicted of the provisions of this article.

HISTORY: 1962 Code Section 21-757.1; 1967 (55) 181.

SC Code § 63-7-20 (2014)

(4) "Child abuse or neglect" or "harm" occurs when the parent, guardian, or other person responsible for the child's welfare:

(c) fails to supply the child with adequate food, clothing, shelter, or education as required under Article 1 of Chapter 65 of Title 59, supervision appropriate to the child's age and development, or health care though financially able to do so or offered financial or other reasonable means to do so and the failure to do so has caused or presents a substantial risk of causing physical or mental injury. However, a child's absences from school may not be considered abuse or neglect unless the school has made efforts to bring about the child's attendance, and those efforts were unsuccessful because of the parents' refusal to cooperate. For the purpose of this chapter "adequate health care" includes any medical or nonmedical remedial health care permitted or authorized under state law;

CODE OF STUDENT CONDUCT

It is our belief that good discipline is one of the cornerstones of a good education, and that to ensure good discipline a close, cooperative relationship must exist between the home and school. It is our goal to provide close communication with parents/guardians at the onset of discipline problems, so that together we can find alternatives for the student, and so they can experience success in their relationships at home and at school.

For this discipline program to be successful, students must make choices for themselves and **be responsible for their own behavior as well as for their academic performance**. Students who make poor choices cannot, and should not, place blame on the environment, parents, the school, and/or peers. All persons involved in committing, planning, participating, helping, advising, encouraging, or benefiting in the violation of a rule or code of conduct are parties to the violation. While the school will help students develop good decision-making skills, ultimately, the future is determined by each student's own actions. The procedures in the discipline program will be followed in a fair and consistent manner.

RESPONSIBILITY FOR INDIVIDUAL ACTIONS OR CHOICES

It is expected that every individual will accept responsibility for his/her own actions, whether intentional or unintentional.

CLASSIFICATIONS OF VIOLATIONS

Violations of the Code of Student Conduct are grouped into four classes:

- Class I: Minor
- Class II: Intermediate
- Class III: Major
- Class IV: Zero Tolerance

Each classification is followed by a disciplinary procedure that is to be implemented by the principal/designee. It is understood that when a violation of the Code occurs, the student's explanation shall be heard by the principal/designee before determining the classification of the violation. The principal or designee will review each case individually before assigning consequences.

Classroom teachers will address general classroom disruptions by taking appropriate in-class disciplinary actions. These include, but are not limited to, personal calls to the parents, parent/teacher conferences, referral to a guidance counselor, etc. A detailed classroom management plan is described in the "Classroom Management Guidelines" section of this handbook. If such measures do not put an end to the disruption, a disciplinary referral is appropriate. (Failure to bring notebook, pencil, books, required materials and equipment to class, or failure to work in class, are not cause for disciplinary referrals.)

Neither GREEN Charter School employees nor the Governing Board assumes any liability for the intentional or unintentional harm caused by any student to another individual or his/her possessions.

NOTE I: These rules apply to all students at school or school-sponsored activities, including field trips (and while on school transportation), athletic fields, stadiums, parking lots, and other sites used for school-sponsored activities.

NOTE II: Repeated violations of the Code of Student Conduct in school will be considered willful disobedience and/or open defiance of authority resulting in possible suspension or expulsion from the school for the remainder of the school year or a specific period of time.

NOTE III: There shall be no type of hazing during any school sponsored event, club, organization, or class within the school or off campus. Hazing shall be defined as any action or situation for the purpose of initiation or admission into or affiliation with any organization operating under the sanction of the school which recklessly or intentionally endangers a student's mental or physical health or safety. Acts of hazing shall be addressed and will result in the appropriate consequence being administered in accordance with the Code.

NOTE IV: Federal and state laws grant individuals reasonable expectations of privacy, and freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students. Students may be subject to search of person or property if a reasonable suspicion exists that the student may have violated the Code of Student Conduct or state or federal law. Be advised that student lockers and other storage areas (including, but not limited to, motor vehicles, book bags, pocketbooks, notebooks, pockets, etc.) may be searched.

NOTE V: Be advised that students will be held responsible for prohibited items in their personal control, such as items located in vehicles, book bags, clothing or items belonging to someone else.

NOTE VI: Technology-based infractions may result in a suspension of network and/or Internet access. Alternative instructional materials may be provided.

NOTE VII: Cyberstalking means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Cyberbullying, is defined as the willful and repeated harassment and intimidation of a person through the use of digital technologies, including, but not limited to, email, blogs, social websites (e.g., Facebook, Twitter, and YouTube), chat rooms, instant and text messaging, and cell phone technologies.

Students will not use school equipment or networks to engage in cyberbullying or cyberstalking including, but not limited to, the posting of harassing messages on the internet, social networking sites, or other digital technologies, which may include social cruelty, direct threats, or other language or expression unprotected by law. Cyberbullying or cyberstalking may also include breaking into another person's account and assuming that person's identity in order to damage that person's reputation or friendships.

NOTE VIII: ANTI-BULLYING POLICY: The policy of GREEN is that all of its students and school employees have an educational setting that is safe, secure, and free from harassment and bullying of any kind. Accordingly, GREEN will not tolerate bullying or harassment against any student, employee, visitor, volunteer or agent who works on school-related activities, subject to the control of school officials. This policy shall be interpreted and applied consistently with all applicable state and federal laws. Conduct that constitutes bullying and harassment, as defined herein, is prohibited.

GREEN prohibits the bullying or harassment of any student or school employee, volunteer or agent:

- During any educational program or activity conducted by GREEN;
- During any school-related or school-sponsored program or activity;
- Through the use of data or computer software that is accessed through a computer, computer system, or computer network of GREEN. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action.

MINOR OFFENSES CLASS I

MINOR VIOLATIONS DISCIPLINE CYCLE

Minor violations can occur in or outside the classroom and on or off campus at any school or after school event. Punishment for these violations/offenses can include any combination of the following consequences at the discretion of the staff:

Lunch Detention
 Think Sheet/Reflection sheet
 Buddy classroom
 Administrative detention
 Withholding Privilege
 In School Suspension (ISS)
 Disciplinary Referral Form for not following school rules. (Additional consequences may apply)
 Suspension from after-school activities such as clubs or sports activities

Parents will be contacted with a phone call or email regarding the assigned consequence for administrative detention, ISS, or disciplinary referrals.

Teachers, in response to **minor** violations in the classroom, will take the appropriate steps when students fail to abide by the established behavioral expectations. Should misbehavior continue or interrupt the instructional environment, the teacher will hold a parent conference or/and implement a behavior contract prior to referring to admin.

The Minor Violations List below is not exhaustive and subject to change at any time at the discretion of the Administration.

MAJOR VIOLATIONS DISCIPLINE CYCLE

Major violations (Class II-IV) of the Student Code of Conduct result in a Disciplinary Referral. Disciplinary Referrals are investigated and consequences are assigned by the administrator. Parents are notified of the consequences by either phone call, notice letter sent home with the student, or US mail. Assignments of consequences are progressive. In general, each disciplinary referral advances the student to the next step in the Major Violation Discipline Cycle and violations may have higher consequences if committed at a higher cycle step.

Any item that is deemed unsafe, inappropriate or hazardous to persons or property may be confiscated by school personnel. Offenses not covered by the Discipline Cycle are handled by the school administration in accordance with federal and state laws in a manner consistent with the Charter Schools Act. Also, at the discretion of the administration, heavier or lighter consequences may be assigned if warranted by individual circumstances.

INTERMEDIATE OFFENSES

CLASS II

Intermediate acts of misconduct are more serious or disruptive examples of the offenses in Class I. Class II also includes repeated acts of misconduct from Class I and acts directed against people or property that do not seriously endanger the health or safety of others. FORMAL DISCIPLINARY ACTIONS AND PROCEDURES

Definitions Relating to Formal Disciplinary Actions (As applicable)

The following are examples of formal disciplinary actions that may or may not be used in the school. Students and parents/guardians who desire to have further information about the disciplinary actions used at school should contact officials at GREEN Charter School.

- **Friday/Saturday Detention** – Assignment to a designated area on campus at the end of the regular school day or on Saturday for a specified period of time .
- **Alternative Schools and Programs** – Schools and programs developed by the School Board for placement of students who have violated the Code of Student Conduct may be offered these voluntary programs, in special circumstances in lieu of other disciplinary actions. Such schools and programs include, but are not limited to, the Alternative Education Centers, the Substance Prevention Program (nighttime program) and the Students Option for Success Program (nighttime program).
- **Behavioral Contracts** – A contract entered into between a teacher or administrator and a student and his/her parent/guardian in which all parties agree to certain actions in an attempt to modify a student’s behavior. The contract shall also contain consequences for breaking the agreement.
- **Lunch Detention** – Denial of the privilege of eating meals in the cafeteria with other students for a specified period of time and assignment to another area in the school for meals.
- **Buddy Classroom** – Denial of the privilege of attending an individual class for a specified period of time and assignment to another area in the school for the time that class meets.

- **(Disciplinary) Work Assignments** – Supervised activities related to the upkeep and maintenance of school facilities.
- **Withholding of Privileges** – The student may be denied an opportunity to partake in school-related activities and/or events as deemed appropriate by the principal or designee.

The notice will include the students’ conduct, school rule(s) violated, and the number of days the student is suspended. This requirement does not preclude administration from contacting parents by phone and assigning an immediate suspension when deemed necessary. Leaving a message at the phone number recorded in the school file will be considered sufficient notification. A meeting between a parent and an administrator may be required prior to the return of the student serving an out-of-school suspension. However, failure of the parent to attend the conference does not preclude the student’s readmission to the school. All students under out-of-school suspension are prohibited from participating in after school activities and therefore are not allowed to come on the school campus. **Students who receive an out-of-school suspension more than 3 days will not be able to participate on any overnight field trips/school extra curricular activities for the rest of the school year.**
- **Option to Withdraw** - A student may withdraw without penalty from a charter school at any time and enroll in another local school in the school district in which the student resides.
- **Academic and/or Behavioral Contract** - Students who have been given consequences based on Step 3 of the disciplinary cycle in any category will be asked to enter into an academic and behavioral agreement. Failure to sign the agreement by the parent and/or student will not hinder the school administration from taking any further actions.

CLASSROOM MANAGEMENT PLAN

GREEN uses a School-wide Classroom Management Plan in which all faculty and staff work in a cooperative systematic effort to encourage a successful learning environment. This plan is designed to ensure an effective learning atmosphere for all students and to curtail any minor inappropriate behaviors that disrupt the learning environment.

School-Wide Rules:

- Follow directions the first time
- Be prepared for each class
- Keep your hands and feet to yourself
- Transition quickly and quietly

The structure of the Classroom Management Plan consists of four main parts:

6. You may not loiter in the gym and lavatories
7. Make sure you clean up after yourself and appropriately dispose of all trash
8. Report any leaks, spills, or other problems in the lavatory to a teacher or the office
9. You may not yell, scream, or make excessive noise while in these areas

In the Cafeteria:

2. Keep tables, chairs, and floors clean
3. Talk in a normal voice (classroom voice)
4. No backpacks allowed in the cafeteria

8. Students who mutilate or deface school property will be fined an amount necessary to cover the cost of restoring the damaged property, as well as receiving appropriate disciplinary action.

REWARD SYSTEM

Students at GREEN are always expected to exhibit appropriate behavior. However, in an effort to encourage students to go beyond the expected behavior, students will be recognized for “doing good”. Some examples are, but not limited to:

1. Assisting someone in need
2. Volunteering to do an unwanted task
3. Cleaning up after others
4. Consistently having a cooperative spirit

GRADING, GRADUATION, and RESPONSIBILITIES

GRADING SYSTEM & REPORTING

Students receive quarterly progress reports throughout the school year. Parents should contact their child's teacher if there are any questions concerning grades recorded or information contained on the child's report card. The GREEN Governing Board, in compliance with State Standards, approves the grading scale. Grades may be reported numerically or alphabetically on all progress reports and report cards. Grades 2 and above any grade below 60 is considered failing.

A teacher may send an email that serves as written notification at any time during a grading period when it is apparent that a student may fail or is doing unsatisfactory work that may lead to failure in any course/subject. The parents will be offered an opportunity for a conference with the teacher and/or an admin.

HOMWORK POLICY

Homework is an essential part of your success at GREEN. Doing homework helps students develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers give homework assignments that will foster individual learning and growth that is appropriate for the subject area. Homework is part of all students' regular evaluations.

It is each student's responsibility to complete and turn in homework on time – if it is not, a grade of zero (0) may be given. The student may also be asked to complete the assignment after school during a "Finish It Friday" session (as applicable). In case of conflict regarding homework assignments the teacher's record is final. If students or their parents have questions about homework, immediately contact the teacher who assigned it.

RETENTION POLICY

Each grade level has a set of standards set by the state that students must meet. If the end of year performance of a student does not meet the expectations for their grade level, that student's academic record will be reviewed by our Retention Team to determine whether to promote or retain for the next school year.

Third Grade

S.C. Code Ann. §59-155-160 (2014) of Act 284 states:

Beginning with the 2017- 2018 school year, a student must be retained in the third grade if the student fails to demonstrate reading proficiency at the end of the third grade as indicated by scoring at the lowest achievement level on the state summative reading assessment that equates to Not Met 1 on the Palmetto Assessment of State Standards (PASS).

The law provides seven good cause exemptions to retention; however, "students exempt for good cause from the mandatory retention requirements shall continue to receive instructional support and services and reading intervention appropriate for their age and reading level." Section 59-155-160 (A).

Good cause exemptions from mandatory retention include students:

- with limited English proficiency and less than two years of instruction in English as a Second Language program;
- with disabilities whose Individual Education Plan (IEP) indicates the use of alternative assessments or alternative reading interventions;
- with disabilities whose IEP or Section 504 Plan reflects that the student has received intensive remediation in reading for more than two years but still does not substantially demonstrate reading proficiency;
- who demonstrate third grade reading proficiency on an alternative assessment approved by the board and which teachers may administer following the administration of the state assessment of reading;
- who have received two years of reading intervention and were previously retained;
- who through reading portfolio documentation demonstrate the mastery of the state standards in reading that is equal to at least one level above the lowest achievement level on the state reading assessment; and
- who successfully participate in a Read to Succeed Summer Reading Camp (SRC) at the conclusion of the third grade year and demonstrate through either a reading portfolio or through a norm-referenced, alternative assessment approved by the SCDE, that their mastery of the state standards in reading is equal to at least a level above the lowest level on the state reading assessment.

If a student meets one of the exemptions mentioned above, the student may be considered for promotion to fourth grade. The explanations and resources included in this document are intended to provide guidance, support, and examples to support districts and schools as they fully implement this section of Act 284.

Middle School Promotion and Retention Policy

Promotion - A student must have 12 core course credits (ELA, Math, Science, and Social Studies in 6th, 7th and 8th grades) in order to get promoted to High School at **GREEN Charter School**.

Retention - Students who fail to attain the required number of course credits for middle school will be retained at the end of 8th grade UNLESS they successfully complete the required recovery program offered via either (1) Summer School - if offered, (2) The South Carolina Virtual School Program - if offered, or (3) the Recovery Package provided by the teacher/school. GREEN Charter has the right to decide the best option for your student to make up the missing credit(s).

Remediation – Before any 5th, 6th, or 7th grader signs up for their FIRST foreign language class at GREEN, our staff will evaluate their Math and Reading grades from the previous year. If we feel remediation is necessary, the student will be assigned to a remediation Math or Reading class instead of a foreign language class. They must successfully complete remediation before they are able to move into foreign language study. For students who are missing credits, this will help them get up to speed in their current grade level class(es).

Notes - All the above promotion/retention information is subject to change based on new state laws and administrative revision during the year. If there is any modification, parents will be notified via email and/or letter. A student's score on an end-of-the-year assessment may

not be the sole criterion for placing the student on academic probation, retaining the student in his/her current grade, or requiring the student to attend summer school.

SCHEDULE CHANGES

Each student's schedule is carefully planned and developed based on the student's academic history and demonstrated abilities. Modifications to the student's schedule MAY be made if requested within the first two weeks of school. The final decision will be made by the administration. Requested movement into a more advanced class must be backed by test scores and teacher recommendations.

TEXTBOOKS

Textbooks for pupils are furnished by GREEN. Restitution for lost and/or damaged textbooks or related materials and supplies will be required BEFORE a second text or additional materials is made available to a student. Students who owe money for lost or damaged texts or materials will be permitted to use a text during classroom instruction; however, they will not be permitted to take the text or materials home for homework purposes.

Note: If it is determined that the textbook is lost, the student will pay for the lost textbook/workbook.

LOCKERS (If applicable)

Beginning in 6th grade, each student will be assigned a locker for their individual use. This locker is for storing books, coats, and personal items necessary for school. Students should not bring valuable items from home. GREEN will not be liable for personal items you leave in your locker or bring to school with you. Do not trade lockers with another student or let anyone share your locker. **It is your responsibility to see that your locker is kept LOCKED and in order at all times. To keep your items safe, we strongly advise you to keep your locker combination and space private.** You should report any damage, vandalism, or the inoperable condition of your locker to the office. If you do not report vandalism, damage or the inoperable condition of your locker, you will be held responsible for it. Please remember that your locker is school property and remains at all times under the control of the school. You, however, have full responsibility for the security of your locker and what is in it. School officials may make inspections. No item considered dangerous by the administration may be kept in the lockers and will be removed if found there. Due to the small size of GREEN's lockers, book bags must be small enough to fit inside it. **Students attending GREEN should not expect privacy in regard to the contents of their lockers, desks, or other school property.**

GENERAL CODE OF APPEARANCE

Administrators and teachers of GREEN shall enforce dress codes that promote the successful operation of the school. The site administration shall be the final judge as to neatness and cleanliness of apparel, and whether or not such apparel is appropriate, disruptive, distracting, or in violation of health and safety rules. **The General Code of Appearance shall not restrict the school administration's authority to implement the School Board's Policy on Student Uniforms.**

Each student is responsible for dressing appropriately for the school environment. Clothing, jewelry, hair styles, and general appearance should not disrupt the classroom atmosphere. The following guidelines for dress and grooming are provided to assist parents, and shall apply to all students at GREEN. Student dress and grooming shall be neat, clean, and as follows:

Note: Should a student's uniform not comply with the uniform dress code, they will be considered in violation. Students who violate the uniform code will be allowed to call home for an appropriate change of clothing after obtaining administrator approval. Otherwise, the student will be held out of class for the remainder of the school day.

All students must adhere to these minimal guidelines for acceptable apparel and appearance. In order to maximize instructional time, students will be given an opportunity to immediately correct dress code violations.

This dress code shall also apply to all school-sponsored activities and events, unless otherwise authorized by the school administration.

DRESS CODE

Students are expected to wear the GREEN uniform at all times and to dress and groom themselves in such a way as to reflect neatness, cleanliness and safety. The principal or other duly authorized school official shall determine whether any particular mode of dress, grooming and accessories is in violation of the spirit and/or the intent of the school's dress code policy. Students and parents are expected to honor the uniform code in order that valuable school time not be spent examining student attire to determine appropriateness. *Students are not permitted to change out of their uniforms during or after school unless participating in P.E., Early College or an after school activity that requires non uniform clothing.*

GUIDELINES FOR CLARIFICATION ARE AS FOLLOWS:

- 1) **Uniforms must be worn properly at all times while at GREEN.**
 - a) Students must be in complete uniform when they arrive at GREEN. Uniforms are expected to remain intact and appropriately worn throughout the entire day at school.
 - b) Students must remain in full uniform until after they leave GREEN.
 - c) PE uniforms must be worn during scheduled PE time (Grades 4-7). The PE uniform consists of the grey t-shirt and the navy blue shorts or sweatpants, all of which must have the official school logo on them. They are only available for purchase at our school. No other items may be worn for PE. Students must stay in their school uniform if they do not have the required PE clothing.

- 2) **Shoes:**
 - a) Shoes must be closed-toe dress shoes OR athletic shoes in any color. No special designs or patterns (checkered, plaid, camouflage, etc.) are permitted. No heel higher than 1 inch is permitted on any shoe. Students may not wear ANY shoe with a wheel on the bottom. Approved shoes must be worn at all times.
 - b) The emphasis regarding shoes is safety – for that reason, all shoelaces must be tied properly, all buckles fastened, all straps secured or velcroed – nothing may dangle or drag from the shoe (like shoe charms). Slippers, thin-soled shoes, flip-flops, or open-toed shoes are not permitted.

- 3) **Pants or Shorts:**
 - a) Pants or shorts must be khaki. All pants and shorts must have belt loops, and a belt must be worn through all the loops and fastened appropriately. Unhemmed pants or shorts are not permitted. Skinny leg style pants are not acceptable, and neither are cargo pants/shorts. Pant material may not be suede or corduroy – it must be 100% cotton or a cotton/polyester blend that is wrinkle resistant. Shorts must be Bermuda length - NO exceptions.
 - b) Pants or shorts must be worn properly at the waist and not sag below the top of the hips. Pants or shorts may not be rolled up or folded up. Pants or shorts must not fit too snugly. Students wearing the top of their pants or shorts below their buttocks will be given a **Disciplinary Referral** for improper exposure (see 2.25 under Class II Offenses).
 - c) Athletic shorts are not permitted.

- 4) **Skirts/Skorts:**
 - a) Grades 4-7 may NOT wear skirts as part of their school uniform. Their uniform bottoms must be either skorts, Bermuda-length shorts, Capri-length pants, or full-length pants ONLY.
 - b) Girls in grades K-3 may wear skirts. If a skirt is worn, they must wear either bike shorts or leggings underneath for purposes of propriety. Only navy, white, and black colors are allowed.
 - c) Grades K – 2 only: Girls can wear a khaki jumper as an additional option to pants, skirts/skorts, and shorts. You may purchase a shirt to wear under the jumper anywhere as it does not need a patch (only solid light blue, white or black color t-shirts are allowed under the jumper). Jumpers can have the school logo on them.

- 5) **Top Options:**
 - a) Polo knit shirts are blue with the school logo and come in a short or long sleeve style. **These are available at the school and Land's End ONLY.** You may wear white, navy, or black long sleeve t-shirts under the short sleeve polo during colder months.
 - b) Students may purchase from our Land's End school store several options to keep warm, including jackets and other pullovers.

- c) Vests, sweaters, and jackets that are to be worn in the classrooms must be **solid** navy blue or those purchased from our school store at Land's End. When wearing any of the above stated apparel, the student must still be wearing the GREEN logo blue polo underneath. The outerwear **cannot** be worn alone with a plain shirt underneath.
 - d) During colder months, students may wear any heavy coat to school regardless of color. However, if it is not navy blue, they will need to leave it in their lockers or cubbies during the day.
- 6) **Accessories:**
- a) Belts while not required must be leather, braided leather, or fabric in solid colors. Grommets, brads, or excessive ornamentation on the belt is not permitted. Belts are required to be worn properly with all pants or shorts – this means that the belt must go through all the belt loops on the pants, be properly fastened or buckled, and the “end” of the belt must not be allowed to hang down (it must also go through the loops if there is excess). The belt must also be tightened enough to prohibit the student's pants or shorts from sagging below the hips.
 - b) Socks must be matching pairs and be white, navy blue or black only.
 - c) Grades K-2 only: Tights or leggings may be worn. Only navy, white, and black colors are allowed. Fishnet, leg warmers, or other patterned stockings or hose are not permitted.
- 7) **Miscellaneous Guidelines:**
- a) Clothing should be neat and clean.
 - b) Clothing may not be worn inside out or backwards.
 - c) Undergarments must not be exposed.
 - d) Hair, face or body paint and tattoos are inappropriate for school and not permitted.
 - e) Athletic outfits are not permitted in the school building, except in PE classes, sports practices and Dress Down Days.
 - f) Cosmetics and/or make-up should be age and school appropriate and not attract undue attention.
 - g) Clothing with rips, tears, holes or frayed edges is considered inappropriate for school.
 - h) Jewelry and accessories should be appropriate for school and not attract undue attention or pose a safety risk. Piercings other than earrings are prohibited. Earrings, for safety reasons, are not to exceed the size of a quarter. Gold/silver mouth pieces, or “Grillz,” are not permitted.
 - i) Extreme hairstyles are not permitted (examples: Mohawk cuts, designs, words, or names cut into hair, hair coloring other than standard frosting or natural highlighting) and should not attract undue attention.
 - j) Hats, caps, curlers, headscarves, bandanas, doo-rags, pics, combs, sweatbands, chains, sunglasses, tennis skirts, gloves, arm warmers and coats are not to be worn during school hours.
 - k) Exemptions may be granted for religious purposes if approved in advance.
- FOR DRESS DOWN DAYS ONLY:
- l) Clothing that is revealing, such as short mini-skirts, short-shorts, tank tops, loosely fitting, low-cut blouses or halter tops, mesh shirts, or shirts exposing the midriff are not to be worn to school. Sleeveless shirts are not allowed. Shirts must be worn buttoned up to second from top.
 - m) All t-shirts must be in good taste (no suggestive wording or illustrations or advertisements for items which are illegal for middle school students - i.e., alcohol and tobacco products, etc.). Administration-approved school spirit t-shirts may be worn in lieu of school uniform t-shirt.

HEALTH SERVICES

It is important to report any illness or condition that your child has that may require medical support during the school day. The first responsibility for the student's health and wellbeing belongs in the family. However, school nurses must have the assistance of the family in planning, implementing and evaluating the child's health care plan. In order to provide the support that is necessary, it is important to establish and maintain an open line of communication throughout your child's school career. Feel free to contact the school nurse with any questions or concerns. The Nurse is here as another healthcare resource.

Visits to the Health room

* Students must obtain a pass from a teacher to go to the Health Room.

Every effort is made to keep students in school if at all possible. If a student is injured or becomes sick at school, the student will be assessed and evaluated by the school nurse. If it is determined that your child is too ill to remain in school, a parent or guardian must come to school and take the student home. It is essential that we have current information about how to contact parents/legal guardians at all times. Students will be sent home with the following illnesses: active vomiting or diarrhea; a fever of 100 degrees Fahrenheit or above; any condition that may be contagious; an injury or illness that requires further evaluation by a physician. While we respect the priority placed on academic achievement and realize many students have a goal of perfect attendance, parents should not send a child with a fever or contagious illness to school.

If parents are unavailable and the illness or injury is such that immediate care is required, the school will arrange for the student to be taken to the doctor or to a hospital for treatment. This action will not obligate the personnel of the school to assume financial responsibility for treatment. If a student has an emergency plan on file that plan will be followed.

Immunization Requirements

According to South Carolina state law, a child cannot be admitted to any school without a valid SC Certificate of Immunization or a medical, religious, or special exemption at the time of school entrance. Students entering from another South Carolina school must submit an immunization record at registration. Students from out-of-state may obtain a special exemption and have thirty (30) days to obtain a valid SC Certificate of Immunization record from a healthcare provider or from the Health Department. Students that do not meet immunization requirements will not be allowed to remain in school.

Complete immunization information can be found on the [South Carolina Department of Health and Environmental Control \(SCDHEC\) website](#).

Medication at School

When possible, a student's parents and healthcare provider should try to minimize the need for medications while at school. If the medication is prescribed to be given once or twice a day they must be given at home. Medications ordered to be given three times daily also may be planned so that they are given in the morning before the child leaves for school, in the afternoon after the child returns home, and again during the evening. This is an acceptable method of medication administration unless otherwise specifically ordered by the healthcare practitioner and avoids unnecessary disruption of the student's school day. However, in some cases, administration of medications in the school setting is unavoidable. If the healthcare provider's order indicates that medicine must be given during school hours it will be given by the School Nurse (or a staff member designated by the nurse).

No medication, including any over the counter medication (ex. cough drops, Tylenol, ect.) will be given without a completed *Medication at School Authorization* form. Medications are not supplied by the school or by the school nurse. The first dose of a medication the student has never taken before will be given at home so that the parent/legal guardian can monitor adverse reactions.

All medication must be provided in the original container. No medication will be accepted in baggies or envelopes.

Parents are responsible for knowing and replacing medication before the expiration date. No medication will be given past the expiration date.

The school nurse reserves the right to refuse to honor medication requests that are not consistent with professional standards and/or deemed unsafe for the school setting. If this occurs, alternatives for meeting the student's needs will be discussed.

Parents are responsible to pick up any unused medication or medical supplies within one week of discontinuation or last day for students, whichever comes first. Medications that are not picked up will be disposed of in a manner that respects security as well as environmental concerns.

Medications to be given at school, during school hours:

Prescription medication to be given during the school day must be accompanied by *Medication at School Authorization Form* completed and signed by a health care practitioner who is recognized by SC's Dept of Labor, Licensing, and Regulation as authorized to prescribe medications. The parent/guardian portion of the form must also be completed. (Please note: The prescription label generated by the pharmacy is not the same as a healthcare provider's order.) All prescription medications must be in the original prescription container

and labeled with the student's name, date, name of medicine, dose and time it is to be given, duration and mode of administration, physician's name, and pharmacy name and address. It is the responsibility of the parent/guardian to inform the school of any changes. All prescription medication must be administered as labeled. If there any changes in the original medication authorization, a new written authorization and corresponding change in the prescription container is required.

If a student is required to take non-prescription over-the-counter medication during school hours, the student's parent must complete the *Medication at School Authorization Form*. The medication must be provided in the original manufacturer's container labeled with the student's name. Manufacturer's instructions will be followed unless a healthcare practitioner orders another dose in writing.

No student shall carry medication in school except for students given permission to guard against a life threatening condition (S.C. Code of Laws Ann. § 59-63-80). Students found in possession of any medication without prior authorization will be referred to the principal for disciplinary action.

Medication permission forms are valid for the current school year only and must be renewed each school year.

All medication must be brought to the school by the parent/legal guardian, or designated responsible adult over 18 years of age, and given directly to the school nurse or main office personnel. Please allow extra time when bringing medication, you may be required to count the medication with school personnel. In the interest of the safety of all students, medications cannot be transported to or from school by students. All medication must be in the original container. No medication will be accepted in baggies or envelopes.

If a parent forgets to give a student a morning dose of medication, the school nurse is not permitted to give that dose at school. The school nurse will only administer the doses that are scheduled during school hours. A Parent may bring a missed dose of medication to school and may give it to the student.

Only a 30-day supply of prescription medication should be brought to school at one time. For your convenience, many of the local pharmacies may provide a second labeled container for medications needed at school and on field trips. Small containers of (OTC) medication should be provided at school due to space limitations.

Medications to be self-administered by the student during school hours:

Certain students with special health care needs may self-administer and or monitor provided the following requirements are met:

- Authorized healthcare provider's order is completed with the following: name of the medication/procedure; dosage, time and route of the medication; statement from the legal prescriber that the student may self-medicate and/monitor; signature of legal prescriber; signature of parent or legal guardian.
- An Individualized Healthcare Plan (IHP) has been developed by the school nurse with input from the student's healthcare provider, the parent/guardian and the student.
- Documentation from the student's healthcare provider stating that the student has been trained and is competent to self-medicate and/or self-monitor. This input, along with the consent of the parent, student, and school staff, will be used to determine whether permission will be granted.
- Parent has signed release of information allowing sharing of information with the student's healthcare provider and to those school employees with a legitimate need to know.
- Medication is provided in an appropriately labeled prescription container. Parents/Legal guardians are responsible for assuring the medication is in a pharmacy-labeled container, and is neither expired nor empty.
- Determination that the student's self-administration/monitoring will not jeopardize the safety of the student or others.
- A signed statement by the parent/legal guardian acknowledging that the GREEN Charter School incur no liability as a result of any injury arising from the student self-medicating and/or monitoring. The parent/legal guardian shall indemnify and hold harmless the district and its employees and agents against any claims arising out of the student self-medicating and/or monitoring.

Field Trip Medication

On school sponsored field trips, a student will be assisted with taking medication by the teacher trained by the school nurse. A completed *Field Trip Medication Permission Form* must accompany the medication. Field trip medication is limited to emergency and scheduled daily medication only. A parent/legal guardian accompanying their child on the field trip must assist the student. If a parent/legal guardian does not accompany the student on the field trip, only employees of GREEN Charter will be allowed to assist students with taking medications.

Parents are responsible for providing the medication for field trips. Only the amount of medication needed for the field trip should be given directly to the person assisting with medication. The medication must be provided in the original pharmacy labeled container.

Parents/Legal guardians of students who require special medical attention must notify the school nurse prior to the scheduled field trip. The school nurse will determine how to accommodate the needs of the student on the trip.

School Exclusion List

In the best interest of students and staff, we request that you keep your child home if he/she is sick. A child should be fever free for 24 hours before returning to school. A fever is defined as a temperature 100.0F or greater. South Carolina Dept. of Health and Environmental Control (DHEC) has developed an exclusion list of illnesses when a child MUST be kept out of school. The list includes length of exclusion and if physician follow-up and/or a medical note is required before the student may return to school. Physician parents may not write a medical note for their own child. The medical note must be provided by an objective care provider. If a student develops a communicable disease, the parent should notify the school nurse. This will allow the nurse to alert the teachers to observe other students for symptoms or to notify appropriate SC DHEC officials if needed.

Please visit the [South Carolina DHEC website](#) for the full exclusion list. Parents may also request a copy of the exclusion list from the school nurse.

Direct Contact Communicable Diseases

GREEN seeks to provide a safe educational environment for students and staff. GREEN is also committed to assuring the confidential status of individuals who may have been diagnosed with a blood-borne communicable disease. Student instruction will be developmentally appropriate. This can be best accomplished by assuring that all persons within the school community understand the method of transmission and prevention of disease that is not contracted through air-borne pathogens, but rather, through direct contact with bodily fluids and excretions, especially blood, vomit, feces, or urine.

For purpose of this policy, these diseases shall include:

- A. HIV (human immunodeficiency virus)
- B. AIDS (acquired immune deficiency syndrome)
- C. AIDS related complex (condition)
- D. HAV, HBV, HCV (Hepatitis A,B,C)
- E. Other diseases that may be specified by the State Department of Health as contact communicable diseases.

GREEN Charter School wants to assure that students and/or staff who reveal the fact they have contracted one of these diseases will have their status safeguarded in accordance with Federal and State statutes dealing with confidentiality, and that their civil rights will be respected.

Illness / Injury / PE and Recess Excuses

It is important that parents notify the School Nurse in case of a student's illness or injury. **If a student is to be excused or limited for 3 or more consecutive days from participation in school activities, then he/she is required to bring a statement signed by a physician.**

Students who are unable to participate in Physical Education or recess activities OR who receive stitches/staples or require the use of assistive device (i.e. crutches, cast, cane, air cast, wheelchair, etc.) are required to bring a physician's note detailing the following:

1. Medical/Injury diagnosis
2. Date student may return to school
3. Activity restrictions
4. Return to full activity date
5. Statement of student's need to use crutches, splints, etc and for how long (if applicable)
6. Date student may resume participation in sport practices and games

AFTER SCHOOL ACTIVITIES

Many extracurricular clubs and enrichment activities are offered at GREEN. In most cases, this is a service our teachers provide free of charge to our students. In some cases, nominal fees may be charged for participation in order to cover the cost of materials and/or supplies for some club/activities. There is no better way for students to enrich their education than by taking part in clubs and activities and working with a teacher. These opportunities allow you to participate in current interests and try other areas that peak your interest.

Students sent to the Administrative offices to sit out of classroom time may not participate in after school activities on the day(s) the time is served. Students staying for after school activities will be expected to obey the following rules risk being banned from after school activities:

- You must be with a teacher or other staff member at all times.
- You must abide by the GREEN Code of Conduct while participating in the activity.
- Your school activity privileges will be cancelled if discipline becomes a problem.
- You must clear the school building immediately following after school activities.
- You must arrange for your own transportation to arrive promptly at the end of the activity.

Signing up for after school activities is required for each semester in order to be eligible to participate. If a student does not have any after school club or activity he/she should report to after school care.

AFTER SCHOOL CARE PROGRAM

The After School Care Program is established to accommodate parents who cannot pick up their students by regular dismissal time. Students will be hosted under the supervision of an adult and will be expected to read, study, and do homework during this time. Please visit our website or stop by the front office to get more info about after school care. The charge for this service is as follows:

TIMES: 3:00 - 6:00 pm	Daily Fee	Monthly Fee
For one child	\$20	\$190
For two children	\$30	\$290
For three children	\$40	\$370

ANNOUNCEMENTS & COMMUNICATIONS BETWEEN SCHOOL & HOME

The Governing Board, Administration, Teachers and Staff at GREEN are dedicated to keeping our school community and families informed. Official announcements are made via our weekly email. **We STRONGLY encourage everyone to read our Weekly Announcements email and check our website on a regular basis. All critical info that comes from this school will come via the weekly email (including club and class sign-ups, field trip forms, meeting information, date and time changes, etc.)** With so much information to convey, we use this as our primary source of sharing and do not send hard copies.

Every effort will be made to ensure good communication between the home and the school. Parents may communicate directly with the school's staff members via e-mail, voice mail, written request, or by accessing the school's web page or Facebook page. **However, all communications from the school are sent via email, so you MUST have a working email address on file to receive school news regarding events, clubs, etc.**

BIRTHDAY CELEBRATIONS

If you wish to celebrate your child's birthday at school, you may bring treat bag(s) (**no food items including cupcakes and cookies**; example may include stickers, pencils, appropriate toys etc.) for them to receive in the last 10 minutes of their day/period. We prefer treat bags since so many of our students have food allergies/restrictions. With prior teacher approval, you may stay with them. Please note that we will no longer be allowing parent to pass out treats during lunch since your child's class isn't the only one in that room.

BOOKBAGS

Students may use book bags to transport only school materials to and from school. During the school day, however, GREEN requires that all book bags remain in students' cubs / lockers. **NO ROLLING BOOKBAGS OR BACKPACKS WILL BE ALLOWED, unless a note from a physician is provided.**

CARLINE

The Traffic Flow Diagram showing how our carline works can be found on the school's website. To be sure all drivers on school property obey the rules to keep our children safe and to be respectful of other drivers, please comply with the following:

- **NO** cutting in front of other drivers in the line or cutting across the line to bypass it.
- **NO** parking your vehicle and walking children though the carline.
- **NO** letting students out of your vehicle anywhere, except the curb in front of the building.
- **NO** honking your horn for any reason at staff or students in carline.
- **NEVER talking on your cell phone when cars are moving!**

CLASSROOM OBSERVATIONS

GREEN values the concept of parents as partners in education. Parent and community support and assistance are vital in all facets of the school program. Parents of currently enrolled students or prospective students may wish to observe the classroom setting or perhaps volunteer to serve as an instructional partner in the classroom. **To minimize disruption of the classroom environment, all classroom observations must be scheduled in advance with the Administration.**

EMERGENCY DRILLS

Emergency preparedness drills will be held throughout the school year so students will be trained to act properly in an emergency. These drills will include fire, tornado, and other crisis emergencies.

FIELD TRIPS

Field Trips offer exciting ways to learn. GREEN students will have the opportunity to go on field trips at various times throughout the school year. Grade level and/or team sponsored day trips are offered to most students. **Students who have received three days of out-of-school suspension (OSS) during the school year, may not be eligible to participate in any overnight field trip for the rest of the school year, and any fees or deposits paid earlier will be non-refundable.**

In addition, any student who has demonstrated an inability to follow rules may be prohibited from participating – this determination will be made by the administration on an individual basis. Any fees or deposits paid earlier are nonrefundable. For all field trips, you will be expected to follow these rules:

- You must abide by the GREEN Code of Conduct and Discipline Plan while on the field trip.
- You must follow the GREEN Dress Code, unless otherwise specified.
- You must bring to school the Field Trip Permission Slip, signed by your parents or guardian, by the specified date.
- If a student is in danger of failing and/or has absentee issues, they may not be allowed to participate in field trips. If money is paid up front it will not be reimbursed.

Parent chaperones must adhere to the guidelines that will be emailed and/or attached to the permission slip form.

HOME VISITS

Research shows that home visits help with both academic and behavioral performance. The overall goal of home visiting is to help strengthen the relationship between parents and teachers. Home visiting programs are an effective way for teachers to get parents involved in their child's education, and to let parents and children know how much they care. Therefore, GREEN encourages teachers to visit their students at their homes.

LOST and FOUND / MISSING ITEMS

Items found unattended will be placed in the Lost and Found. More personal Items like glasses or jewelry may be held in the Main Office. Unclaimed items will be donated or resold periodically.

When an item is missing, students should look for items in the Lost and Found before coming to the office. In regards to the lost and found, parents are able to look through the Lost and Found to search for a missing item. At the end of each quarter the school reserves the right to donate, resell, or repurpose any items left in the Lost and Found closets. Should the owner find the item themselves or it be returned directly to them, they should notify the Main Office as soon as the item has been located.

LUNCH / BREAKFAST / NUTRITION PROGRAM

Students may purchase a nutritional lunch and/or breakfast in the school cafeteria or may bring one from home. The cost for student lunch and breakfast is announced at the beginning of the school year and can be paid in advance via an online payment system. Students needing free or reduced lunch or breakfast should contact the Main Office to request the form.

MATERIALS DISTRIBUTION

GREEN has a “closed forum” relative to the distribution or posting of materials on school grounds or property. It is for this reason that flyers, brochures and/or other materials may not be handed out on campus prior to, during or following the school day. Unless it is approved by the administration, distribution/selling/ordering/consuming external foods/goods is prohibited, and items will be confiscated.

PAYMENT BY CHECK

Unless otherwise specified by the administration, all school rules are in effect in any such school-sponsored activities. Eligibility to participate in such programs and specific policies will be determined and announced by the administration as needed. In order to participate in a sports program, the student must have a minimum average of C. No student will be allowed to participate as long as there is a D or F class average on the last Progress Report. For Fall, the final Report Card from the prior school year will be used.

The cell phone must be turned off before entering the school building. Students shall not use them, display them openly, or leave them in the "on" setting while on school property. Failure to follow cell phone procedures will result in confiscation of the cell phone. If a student is scheduled for an after school activity, including but not limited to clubs, tutoring, and after-school care; cell phones shall be kept turned off until such activity is over. This policy applies to any type of use, not just voice calls. Cell phones may not be used during the school day to take photographs or to send or receive text messages. Students should check their cell phone before entering the building and make sure that it is in the "off" setting.

This rule applies but is not limited to other electronic devices such as Digital Cameras, PDA's, Smart Phones, Mp3/Mp4 player, iPod, iTouch, iPad, and radios.

Students found in violation will have their recording device confiscated, and be given an *Office Referral* for unauthorized recording. Parents or non-GREEN personnel found in violation will immediately be required to leave. If uncooperative, appropriate law enforcement authorities will be contacted to have them removed from the premises.

VIDEO OR AUDIO SURVEILLANCE

GREEN may use video or audio surveillance to monitor halls, classrooms and common areas, to ensure student and faculty safety. Additionally, this video or audio surveillance may be used for evidence in disciplinary situations, as well as remote viewing or monitoring of various school activities, school entrances and school parking areas. Viewing requests by parents may be refused or limited where viewing would be an unreasonable invasion of a third party's personal privacy, would give rise to a concern for a third party's safety, or on any other grounds recognized in the Privacy Act. No other request for viewing may be honored. Approved viewings must be done in the presence of the principal or designee.

VISITORS TO THE BUILDING

All visitors must first report to, and sign in at, the Main Office and wear a visitor's badge before going to other parts of the building. You will be required to have your Driver's License.

WALKERS & BIKERS

GREEN takes no responsibility for student walkers and bikers. Parents/Guardians who desire for their child to walk/bike to or from school must come to the Main Office and add that option to the student's Transportation section of their Enrollment paperwork. Any bikers or walkers must be at or above 12 years of age.

The federal No Child Left Behind Act of 2001 (NCLB) requires schools to notify parents or legal guardians when their child has been taught for four consecutive weeks by a teacher who is not considered "properly certified." The South Carolina Public Charter School law states that a charter school may, "in its discretion hire noncertified teachers in a ratio of up to twenty-five percent of its entire teacher staff."

If you have questions regarding the qualifications of your scholar's teacher, please feel free to contact the building administrator.
